The Board of Trustees of the Medical University of South Carolina convened Friday, April 13, 2012, with the following members present: Mr. Thomas L. Stephenson, Esquire, Chairman; Dr. James E. Wiseman, Jr., Vice Chairman; Mr. William H. Bingham, Sr.; Dr. Cotesworth P. Fishburne, Jr.; Mr. William B. Hewitt; Dr. E. Conyers O’Brien, Jr.; Dr. Thomas C. Rowland, Jr.; Mr. Charles W. Schulze; The Honorable Robin M. Tallon; Charles B. Thomas, Jr.; Mrs. Claudia W. Peeples, Emerita. Absent: Dr. Stanley C. Baker, Jr.; Dr. Harold W. Jablon; Dr. Donald R. Johnson II.

The following administrative officials were present: Dr. Raymond S. Greenberg, President; Dr. Mark Sothmann, Vice President for Academic Affairs and Provost; Dean Etta Pisano, Vice President for Medical Affairs, and Dean, College of Medicine; Mr. Stuart Smith, Vice President for Clinical Operations and Executive Director, MUHA; Dr. Frank Clark, Vice President for Information Technology and CIO; Ms. Lisa P. Montgomery, Vice President for Finance and Administration.

The following deans were present: Dr. Jack Sanders, College of Dental Medicine; Dr. Lisa Saladin, College of Health Professions; Dr. Etta Pisano, College of Medicine; Dr. Joseph DiPiro, South Carolina College of Pharmacy; Dr. Philip Hall, College of Pharmacy; Dr. Gail Stuart, College of Nursing; Dr. Perry Halushka, College of Graduate Studies.

Item 1. Call to Order-Roll Call.

There being a quorum present, Chairman Stephenson called the meeting to order. Ms. Jenny Stone called the roll.

Item 2. Secretary to Report Date of Next Meeting.

The date of the next regularly scheduled meeting is Thursday, May 17, 2012.

Item 3. Approval of Minutes of the Regular Meeting of the Medical University of South Carolina Board of Trustees of February 12, 2012.

Board Action: It was moved that the Minutes be approved. The motion was seconded, voted on and unanimously carried.

RECOMMENDATIONS AND INFORMATIONAL REPORTS OF THE PRESIDENT.

OLD BUSINESS: None.

NEW BUSINESS:

Dr. Greenberg called on Dean Joe DiPiro from the South Carolina College of Pharmacy to introduce the speaker. Dr. DiPiro introduced Dr. Rick Schnellmann who is Chair of the Department of Pharmaceutical and Biomedical Sciences. He was recognized in 2007 as an eminent scholar and earlier this year as distinguished professor. He has an excellent record in scholarship and research and has been
able to recruit four SmartState chairs to his department over the past few years. When he arrived at MUSC, his department had almost no NIH funding and last year approached ten million dollars. He is here today to tell us about the newly funded NIH COBRE Award. Dr. Schnellmann co-directs this program with Dr. Ken Tew in the College of Medicine and this is an excellent example of inter-college collaboration.

Dr. Schnellmann stated Dr. Tew is out of town today but is his partner in the collaboration. MUSC has received a $10.5 million COBRE Grant from NIH in Oxidants, Redox Balance and Stress Signaling. We are looking at what is common in diseases. The hypothesis is instead of looking at the differences in diseases, we look at what is common in the beginning of disease. COBRE success is measured by getting a new faculty member funded. WE will recruit, develop and get new faculty members funded. This is very positive. It supports the research infrastructure and we think we can sustain this in the long run because COBRE can work really well with SmartState.

Dr. Greenberg thanked Dr. Schnellmann for his leadership with the collaboration with USC in the SCCP. He noted the wonderful success story manifested in the NIH rankings where the goal is to get the College in the top ten rankings and he is very close to reaching that goal.

Dr. Greenberg then distributed a copy of his activities since the February Board meeting. It has been quite busy. He noted that there is a shift to a much larger donor pool at the higher level with donors now in the eight figures. Our development team deserves a huge amount of support for their efforts. The honorary degree recipients that you approved has had a significant impact on the donor pool as well as grateful patients.

Recommendations of Administration: That these reports be received as information.

Board Action: Received as information.

**Item 5.**

**Appointment of Annette R. Drachman, Esq.**

**Statement:** Dr. Greenberg presented the promotion of Annette Drachman as General Counsel Designee effective today and General Counsel effective July 1, for approval. Dr. Greenberg stated that General Counsel Good had agreed to come on in a part-time consulting capacity to help us through the transition.

Mr. Stephenson asked Mr. Good to talk about the resolution of the Thurmond Gazes law suit. Mr. Good stated the University received a $6.3 million settlement as a result of the suit.

Recommendation of Administration: That the appointment be approved.

Board Action: A motion was made, seconded and unanimously voted to approve the appointment of Annette R. Drachman, Esq. to the position of General Counsel.

Meeting Time: 1:10 pm-1:35 pm

Regular Agenda

Item 8. General Report of the Associate Provost for Research

Mr. Jim Fisher presented the report for the Associate Provost for Research. Total FY11-12 extramural research funding for the period ending March 31, 2012 is $149.5 million (NIH – $61.7 M). Compared to pre-ARRA (2009) levels of $142.9 M (NIH – $50.5 M), MUSC’s total extramural funding continues to track upward.

The Lowcountry Partnership for Biomedical Innovation, initiated with a grant from the National Science Foundation and led by Dr. Kelly Shaver, Professor of Entrepreneurial Studies at the College of Charleston, and Dr. Mark Kindy, Professor of Neurosciences at MUSC, has been sponsoring an exciting Speaker Series that ties in with our industry partnership initiatives and the South Carolina Clinical and Translational Research Institute (SCTR). The series is one component of a semester course for bioentrepreneurs and was launched in 2012.

Recommendation of Administration: That the report be received as information.

Recommendation of Committee: That the report be received as information.

Board Action:

Item 9. General Report of the Vice President for Development

Mr. Fisher reported that through March 20, 2012, we received $41,066,436 in new gifts and pledges. This places us at about 78% of last year’s pace.

Mr. Fisher reported on several new significant gifts and pledges. A $5 million pledge was received from one of two individuals who were recently awarded honorary degrees, and appreciation was expressed to the Board for allowing these types of honors to be presented to MUSC benefactors. Mr. Fisher also noted that Carter and Katy Brown have committed a $1 million gift through their estate to name the Carter and Katy Brown Advanced Education in General Dentistry Clinic. The Board of Trustees was cordially invited to attend the reception for the dedication of the clinic on Friday, April 13th, 2012, from 4:00 p.m. - 6:00 p.m.

The Children’s Hospital received documentation of a planned gift of $850,000 from Dr. and Mrs. Avery Seifert, who reside in Idaho and have a daughter who attended MUSC
College of Medicine on full scholarship. Dr. Carolyn Reed pledged $500,000 to create an endowed chair in thoracic surgical oncology. A College of Medicine alumnus, Dr. Jane Vance Gwinn, committed $750,000 through her estate to establish a scholarship fund for medical students. Darius Rucker raised $260,000 for the Children's Hospital from his Big Band Concert this past February.

Mr. Fisher reported that the MUSC Board of Visitors meeting agenda includes the following presentations and tours:

- Dr. Lisa Saladin, Dr. Jim Krause: Rehabilitation Research
- Dr. John Ikonomidis: Cardiothoracic Surgery
- Dr. Prabhakar Baliga: Transplant Surgery
- Dr. David Habib: Children’s Hospital
- Tour of the MUSC Children’s Hospital: Pediatric Cardiology ICU, Neonatal ICU, Pediatric ICU

Mr. Fisher noted that Jeannie Grooms, Executive Director of Alumni Affairs, has retired. He introduced Becky Dornisch, an advancement team member for over twenty years and currently the Director of Annual Giving, as the Interim Director of Alumni Affairs.

Recommendation of Administration: That this report be received as information.

Recommendation of Committee: That this report be received as information.

Board Action:

**Item 10.**

*General Report of the CEO of the MUSC Foundation*

Mr. Anderson reported that the Foundation increased total assets by $25.4 million or 6.6% for trailing 12 months at 2/29/12 to a record $412.9 million.

Mr. Anderson also noted that the Board is continuing to explore various fee scenarios to increase the current $1.2 million annual funding to Central Development Office in conjunction with Medical University RCM process. He also reported that the Board approved a reduced endowment payout rate from the current 4.5% level to a 4.25% level, which is closer to NACUBO peer average of 4.1% and reflective of current market performance.

Mr. Anderson answered questions regarding the composition of the $412.9 endowment portfolio, noting that cash represents ~2% of the endowment, and that real estate is about $80 million (19%) of the endowment. The most recent NACUBO study (March 2012) shows that MUSC is ranked in the top 30% of U.S. and Canadian institutions.

Recommendation of Administration: That this report be received as information.

Recommendation of Committee: That this report be received as information.

Board Action:

**Item 11.**

*General Report of the Executive Director of the MUSC Foundation for Research Development*

Mr. Donato introduced himself as the new Interim Director. He reported that new inventions reported from the faculty are on a record pace through the first nine (9) months of the fiscal year. This improvement is due to recent efforts to engage the
faculty but it will challenge FRD resource allocation including the patent budget. He noted that FRD continues implementation of its strategic plan under the guidance of its Board of Directors.

Recommendation of Administration: That this report be received as information.
Recommendation of Committee: That this report be received as information.

REGULAR AGENDA

Item 13. General Report of the Vice President for Academic Affairs

Statement:

Student Report
Carol Brown, SGA President, thanked the Board for their efforts in implementing a Smoke-Free Campus. Brandon Hagan, CDM student, is the newly elected President of of SGA. Ms. Brown expressed her appreciation for the opportunity to serve as SGA President.

Dr. Mark Sothmann briefly informed the Board that our accrediting body, Southern Association of Colleges and Schools (SACS), has indicated that MUSC should aggressively step up their efforts in institutional effectiveness. Administration is working diligently to improve our reporting format to SACS and to enhance a successful outcome of our upcoming 5-year accreditation.

Student Life
Dr. Darlene Shaw gave a compelling overview of the activities and successes of the Division of Education and Student Life. Her report included a succinct review of the many units of the Division that work with the colleges and students to promote personal and professional growth, academic success, and overall well-being. Positive student satisfaction and student wellness survey results were shared.

Certificate in the Biomedical Sciences
Dr. Perry Halushka briefly mentioned a new program titled, “Certificate in the Biomedical Sciences”. This is a one-year program designed to help those applicants that were close to being accepted, but were not, by improving their competitiveness.

Regular and Consent Agenda
All Regular and Consent agenda items were approved unanimously. The Committee also unanimously approved additional items listed under Item 15, Other Committee Business, as follow: A.) change in faculty status for Andrea W. ESTABLISH PROJECT

FOR APPROVAL

April 13, 2012

PROJECT TITLE: Storm Eye Institute Sanitary Sewer Riser Replacement

PROJECT NUMBER: To Be Determined

TOTAL ESTIMATED BUDGET: $ 995,000

SOURCE(S) OF FUNDS: Institutional Bonds and Institutional Capital Project Funds

JUSTIFICATION: The Storm Eye Institute is an eight-story 95,356 gross square foot building built in 1975. Clinics occupy three of the floors, with academic offices, research labs, and mechanical shops occupying the remainder of the building. This project calls for the replacement of the existing copper portions of the sanitary sewer risers within the Institute with acid resistant polypropylene piping. The existing copper risers are severely corroded and the pipes are riddled with pin holes from lab waste, and sanitary sewer liquids leaking out. This is a health safety concern, and the pipes must be replaced to prevent further damage to the building.

PROJECT TITLE: Psychiatric Institute Elevator Upgrades

PROJECT NUMBER: To Be Determined

TOTAL ESTIMATED BUDGET: $385,000

SOURCE(S) OF FUNDS: Hospital Operating Funds

JUSTIFICATION: The Psychiatric Institute is a five-story 62,299 gross square foot building built in 1976. The 1976 vintage elevator controls and systems for the two elevators that service this building are obsolete and replacement parts are no longer available. This project will replace the controls and systems, upgrade the doors and hoistway equipment (including the motor drive system), and interior car finishes.

PROJECT TITLE: Sebring-Aimar House HVAC Replacement

PROJECT NUMBER: To Be Determined

TOTAL ESTIMATED BUDGET: $385,000

SOURCE(S) OF FUNDS: Deferred Maintenance Funds received from the State

JUSTIFICATION: This 5,593 gross square foot house built in 1838 is on the National Register of Historic Places. Through the years, it has suffered significant interior mold and mildew growth and associated deterioration due to insufficient humidity control. The project will include abatement of the mold and mildew, abatement of the loose lead based paint, and replacement of the HVAC system. This work will keep the interior from experiencing further mold and mildew damage. Once this work is completed, the interior and exterior repairs can be addressed when we find a suitable occupant.

Interior repairs are estimated to cost $610,000 and repairs to the exterior are estimated to cost $235,000. The interior and exterior repairs will be submitted for approval as a separate project.
DESCRIPTION OF LEASE RENEWAL: This lease renewal is for 2,614 square feet of office space located at 57 Bee Street. The purpose of this lease renewal is to continue to provide space for the MUSC Employee Health Services. The cost per square foot for this renewal is $13.14 (rounded). The monthly rental rate will be $2,862.00, resulting in an annual rent amount of $34,344.00.

This property was gifted to the Medical University of South Carolina Foundation under a Charitable Gift Annuity arrangement. The Annuity payments are funded through the lease agreement between the Foundation and MUSC. The Annuity payments will be paid to the donors as long as either is alive. Upon the donors’ death, the lease shall terminate and the building will be gifted to MUSC.

Re: Request for name change of department
From: Department of Pharmaceutical and Biomedical Sciences
To: Department of Drug Discovery and Biomedical Sciences

Mark Sothmann, PhD
MUSC Provost and Vice President for Academic Affairs

Michael Amiridis, PhD
USC Provost and Vice President for Academic Affairs

Dear Provosts Sothmann and Amiridis:

By this letter I am requesting approval for a change in the name of one of our departments, from the Department of Pharmaceutical and Biomedical Sciences, to the Department of Drug Discovery and Biomedical Sciences.

The Department initiated the request and voted overwhelmingly in favor of this change. Department members believe the new name would better reflect the core strengths of the Department which is a major part of the MUSC Drug Discovery Center. Drug discovery is also a focus of the translational cancer therapeutics efforts on the USC campus. The new name will enhance recruitment of graduate students, postdoctoral associates, and faculty members.

Before submitting this request, the Department Chair informed the Chairs of the MUSC Department of Pharmacology, and the USC Departments of Chemistry and Biochemistry (College of Arts & Sciences) and the Department of Pharmacology, Physiology, and Neuroscience (School of Medicine). In each case, the departmental authorities indicated support for or no disagreement with the proposed change.

Thank you for your attention to this request.

Sincerely,

Joseph T. DiPiro

RE: Tenure recommendation for USC-tenured faculty members

Dear Provost Sothmann:

The Memorandum of Understanding for the South Carolina College of Pharmacy approved by the USC and MUSC Boards of Trustees states:

When tenure is granted by the employing university the alternate university will grant tenure to the faculty member for the purpose of cross-university participation in appointment, promotion, and tenure proceedings within the academic unit level. Tenure appointment at the alternate university confers no financial obligation, employee rights (including grievance rights) and is contingent on continuing tenure at the employing university. Termination, resignation, or retirement from the employing university would result in the cessation of the tenured appointment (without compensation) at the alternate campus. Tenure must be granted by vote of the individual Boards of Trustees upon the recommendation of the University president.

In accordance with this policy, I am requesting that the MUSC President recommend and the MUSC Board of Trustees approve tenure at MUSC for the following faculty members of SCCP on the USC campus. Each person listed is a full-time faculty member of the SCCP, is employed by USC, and is tenured at USC. I have enclosed their CVs.

Thank you for your attention to this letter. Please let me know if you need anything else.

Sincerely,

Joseph T. DiPiro  
Executive Dean and Professor
