"Focused Leadership" is a monthly e-mail sponsored by the MUSC ARROW (Advancement, Recruitment, and Retention of Women). This e-mail is sent to all faculty members and features leadership-related articles and resources. We deliver brief, thought provoking, and most importantly, useful e-mails once a month!

LEADERS ON LEADING

We asked Perry V. Halushka, PhD, MD Distinguished University Professor, Professor of Pharmacology and Medicine Dean Emeritus, College of Graduate Studies "What is the most important advice you would give someone interested in moving into a leadership position?"

His response: Have a vision and a plan and articulate it clearly. Be a very good listener and build consensus. Finally, remember the 3 Is of management, itemize, deputize and scrutinize.
