**C) Research Support: (Ongoing or completed last three years)****SLAUGHTER, S.C.****Ongoing**

5P60MD000267-03 Slaughter (PI)

NIH-NCMHD/Medicine

EXPORT Center on Metabolic Syndrome and Minority Health

Specific Aims: To promote the conduct of research to reduce health disparities; build research capacity for health disparities research in minority-serving institutions; promote participation of health disparities groups in biomedical and behavioral research prevention and intervention activities; and foster broad collaborative investigation that increases the effectiveness and impact of the Center's individual components.

Role on Project: Principal Investigator

**Completed**

CSH000206-01 Slaughter (PI) 09/30/97-02/01/00

HRSA

Demonstration Grants to States for Community Scholarship Programs

Specific Aims: Provides funds for health care providers to return to school to obtain advanced level degrees in exchange for a service obligation in a designated HPSA. Participants return to their local, underserved community after training.

Role on Project: Principal Investigator

97-BHPR-BW6594 Slaughter (PI) 09/27/96-09/26/99

HRSA

Enhanced AHEC Academic - Community Partnership Unit

Specific Aims: The development of a collaboration effort to determine the health professional workforce needs of South Carolina. Once determined, a plan to match the needs of the state with output of health professions training programs will be developed.

Role on Project: Principal Investigator

5 D39 PE 00035-03 Slaughter (PI) 09/30/98-09/26/99

HRSA/BHP/Medicine

Health Education Training Center

Specific Aims: Development of a Health Education Training Center in Anderson, SC where primary care students from two universities (USC & MUSC) will experience health care in community settings.

Role on Project: Principal Investigator

SC-ORH Slaughter (PI) 01/0199-04/30/00

SC State Office of Rural Health

Community Incentive for Diversity

Specific aim: Minority training and minority scholarship.

Role on Project: Principal Investigator

2 U76 PE 03019-05 Slaughter (PI) 09/30/94-09/29/01

HRSA/BHP/Medicine

Model State Supported AHEC Program

Specific Aims: To fund statewide programs to support primary care student relations (including Family Medicine Student core rotations), preceptor training and workforce diversity training.

Role on Project: Principal Investigator

Principal Investigator/Program Director (*Last, first, middle*): SLAUGHTER, SABRA C. / WALKER, JAMES H.
