

## Facebook Page Disclaimer

The information posted on the MUSC: Longevity after Injury Project Facebook page is intended for educational purposes and should not be construed as medical advice. If you have concerns for your mental or physical well-being, please contact a service provider with clinical expertise in your area. The research posted on this site is protected by copyright laws and intellectual property laws. This information is for personal use only and is not to be used for commercial purposes.

Please note that we do not endorse any websites or links that we may post; these are posted as resources, not as medical advice or recommendations. None of The Longevity after Injury Project, its collaborators, its vendors, or its students will be liable for any damages relating to the use of our Facebook page.

Links within our Facebook page may direct you to third-party websites, but our posting of these links does not imply responsibility for third-party pages. While we encourage communication on our Facebook page, if we find a comment or opinion offensive, we reserve the right to remove said content. Additionally, we are not responsible for any technical issues you may experience while using Facebook.

OFFICE OF THE  
GENERAL COUNSEL  
MUSC/MUHA
