Events Governed by this Policy:

This policy governs all events where alcohol is served on or off campus (including those held in establishments that have a commercial license to sell liquor, beer, or wine) that are sponsored by student groups who meet one or more of the following criteria:

- Are considered “recognized” university student organizations
- Use the university and/or college name
- Receive university funds and/or collect funds in the university/college organization's name (e.g., dues)
- Sponsor an event open to the entire membership (e.g., class parties)
- Advertise an event via a public medium (e.g., e-mail chp-students@musc.edu, The Catalyst, fliers on bulletin boards)

Approval:
Events governed by this policy require the submission and approval of an MUSC Student Event Approval Form. One of the purposes for the submission of the MUSC Event Approval Form is to ensure the sponsoring organization's awareness of and compliance with this policy and responsible hosting guidelines.

These approval forms are available on the college website (under current students resource links), the Office of Student Life and Recruitment, and the Office of the Dean. University-wide events will require the approval of the Director of Student Programs. College-sponsored events will require the approval of the Dean or his/her designee. (For CHP students, the Dean's designee is Cami Meyer).
