Students and Post Doctorates who are without a safe location to evacuate are responsible for registering for assistance. Students will not be allowed to stay on campus if a mandatory evacuation is called. If you cannot evacuate yourself to a safe location, you will be transported from the university to a community shelter.

Hurricane preparedness at MUSC is as easy...

1. Register for evacuation assistance online at: musc.edu/spsd/hurricane
2. Register for MUSC ALERT online at: musc.edu/muscalert
3. Find information during an emergency: musc.edu/weatheremergency or call (843) 792-MUSC

If you’ve not done so, please register for the MUSC’s emergency notification system, MUSC ALERT by clicking here.
