1st Annual Neuro-Oncology Symposium
APRIL 22, 2017 | HOLLINGS CANCER CENTER | MUSC, CHARLESTON SC

Course Description
This symposium will highlight the latest advances in current treatment of brain tumors in the pediatric and adult population. The goal of this symposium is to update oncologists, neurosurgeons and radiation oncologists with the latest evidence on how to best manage these tumors. Our presenters will be drawn from the specialties of neurosurgery, radiation oncology and neuro-oncology. The presentations will focus on the latest evidence based data from the NCCN, ASCO, and Society for Neuro-Oncology to support current practices. The audience will also be updated on the latest clinical trials and the science behind these trials.

Symposium Objectives
At the completion of this symposium you should be better able to:
• Discuss current evidence to support treatment decisions in the pediatric and adult population
• Use information on current clinical trials available to your patient population
• Describe the TTF concept and device used in this therapy
• Assess the newest treatment paradigms for CNS lymphoma

Accreditation
The Medical University of South Carolina College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Disclosure Statement
In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

Credit Designation
The Medical University of South Carolina designates this live activity for a maximum of 5.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Americans with Disabilities Act
We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you. Please call 843-876-1925, via email at cmeoffice@musc.edu, or attach a note to your registration form by April 7, 2017.

Cancellations
A refund will be made upon written request by April 7, 2017; however $50 will be retained for administrative costs. No refunds will be made after April 7, 2017. We reserve the right to cancel the program if necessary. Full registration fees will be refunded for canceled programs. The University cannot be responsible for reimbursement of airline or other transportation fares, hotel or rental car charges, including penalties.

Course Materials
We’re going green! In our efforts to “go green”, the syllabus will be provided on our website, MUSC.edu/cme. Information will be emailed to you the week prior to the conference. Internet connection will also be available.

Accommodations
During the Spring, hotel rooms are at a premium in downtown Charleston. We have made arrangements for several small blocks of hotel rooms in Mt. Pleasant, just over the Ravenel Bridge and with lower prices. However, if you are interested in finding a hotel room in downtown Charleston go to the link below for the Charleston Convention and Visitor’s Bureau listing of hotels.
