### ELECTRONIC SYLLABUS
We’re going green! In our efforts to “go green”, the syllabus will be provided on our website, www.musc.edu/cme. Information will be emailed to you the week prior to the conference so that you may download a copy. Internet connection will also be available in the meeting room. A printed syllabus (3 slides per page) is available upon request at the time of your registration for an additional fee of $35.00.
CONFERENCE DESCRIPTION

The 48th Annual OB/GYN Spring Symposium will provide engaging, evidence-based updates on a range of obstetrical and gynecological challenges, aimed at enabling clinicians to update their practice, improve the quality of care for their patients, and optimize patient outcomes and satisfaction. The symposium focuses on enhancing participants’ knowledge of new evidence and trends in the field and highlighting practical applications for this knowledge. Conference faculty include nationally known guest faculty and distinguished MUSC faculty. Content is chosen for this CME activity based on needs assessment and educational gaps derived from local, regional and national data including peer review, literature updates and specialty society information. Content is presented through key updates on emerging topics, expert presentations, and interactive panel discussions. Please see the agenda for a detailed description of topics and learning objectives to be addressed within this three day conference.

CREDIT DESIGNATION

The Medical University of South Carolina designates this live activity for a maximum of **12.0 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACOG: Application has been submitted to the American College of Obstetricians and Gynecologists.

Nursing Credit: Most states accept CMEs that apply to a specific nursing specialty as nursing continuing education. Please check with your respective State Board of Nursing to ascertain the equivalent number of contact hours offered for **12.0 AMA PRA Category 1 Credit(s)™**.

DISCLOSURE

In accordance with the ACCME Essentials & Standards, anyone involved in planning or presenting at this educational activity will be required to disclose any relevant financial relationships with commercial interests in the health care industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be required to disclose that information at the beginning of their presentation.

TARGET AUDIENCE & SCOPE OF PRACTICE

The conference is designed for care providers in the field of Women’s Health with particular interest in reproductive issues and overall well-being. Obstetrician gynecologists, nurse practitioners, physician assistants, midwives, registered nurses, and other interested health professionals are encouraged to attend.

CONFERENCE OBJECTIVES

Following this conference, participants will be able to:

- Integrate emerging evidence-based changes into their practice such as 3D mammography, non-invasive prenatal testing among low risk patients, antenatal steroids in the late pre-term period, insertion of LARC immediately postpartum, and reclassification of endometrial hyperplasia.
- Appreciate large challenges facing our field including rising maternal mortality rates, a changing legal and advocacy landscape, and caring for transgender patients.
- Formulate an evidence-based approach to clinical challenges in pregnancy including ZIKA exposure or infection, opioid dependence, hypertension, cardiomyopathy, and antiphospholipid antibody syndrome.
- Apply the latest scientific evidence to diagnosis and management of common gynecologic conditions including vulvar disorders, urge incontinence, fibroids, and infertility among PCOS patients.

AMERICANS WITH DISABILITIES ACT

It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Office of CME at 843-876-1925 or attach a note to your registration form by March 1, 2017.
