If you can't attend, please pass this along to a colleague or friend!
Course Description

The Division of General Pediatrics, MUSC - Department of Pediatrics, is pleased to present a three-day Continuing Medical Education Course designed to meet the needs of pediatric primary care practitioners, including Pediatricians, Family Physicians, and Nurse Practitioners. The course is organized to allow extensive discussion with presenters by limiting pure lecture presentations.

Learning Objectives: At the completion of this conference you should be able to achieve the objectives listed under each topic. The conference will be presented in lecture format with question and answer sessions. Small group workshops will be held on Saturday afternoon.

Credit Designation

The Medical University of South Carolina designates this live activity for a maximum of 16.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP: Application for Continuing Medical Education credits has been filed with the American Academy of Family Physicians. Determination of credits is pending.

Nurses: Most states accept CMEs that apply to a specific nursing specialty as nursing continuing education. Please check with your respective State Board of Nursing to ascertain the equivalent number of contact hours offered for 16.0 AMA PRA Category 1 Credit(s)™.

PLEASE NOTE: You now receive your CME, CNE and CEU credits online! After the conference, you will be emailed instructions and a link to claim your credit online and print your credit certificate. On the registration form, please provide the email address that you actively use to ensure that you receive these important emails.

Accreditation

The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for Physicians.

Disclosure Statement

In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interest in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

Americans with Disabilities Act

It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Office of CME at (843) 876-1925 or attach a note to your registration.

Online Syllabus

In our efforts to ‘go green’, we are offering a reduced registration ($40 off the registration fee) if you choose to access the electronic conference syllabus online. Information will be emailed to you the week prior to the conference so that you may download a copy, and have access to the online version during and following the conference. By choosing this option, you can select the reduced conference registration fee marked on the online and paper registration. However, you will not receive a printed syllabus book. If you would like the printed syllabus, select the full registration fee.
## Conference Director

**James R. Roberts, MD, MPH, FAAP**  
Professor  
Division of General Pediatrics  
Department of Pediatrics  
Medical University of South Carolina

## Conference Co-Directors

**William T. Basco, Jr., MD, MS, FAAP**  
Professor  
Director, Division of General Pediatrics  
Department of Pediatrics  
Medical University of South Carolina

**J. Routt Reigart, MD, FAAP**  
Professor Emeritus  
Division of General Pediatrics  
Department of Pediatrics  
Medical University of South Carolina

## Visiting Faculty

**Kristin Rager, MD, MPH, FAAP, FSAHM**  
Adolescent Medicine Specialist & Owner  
Rager Adolescent Health  
Nashville, Tennessee

**Joseph A. Skelton, MD, MS**  
Associate Professor of Pediatrics  
Associate Professor of Epidemiology and Prevention  
Director, Brenner FIT  
Wake Forest Baptist Health  
Winston-Salem, North Carolina

**Carol Cohen Weitzman, MD**  
Director, Developmental-Behavioral Pediatrics  
Professor of Pediatrics & Child Study Center  
Yale School of Medicine  
New Haven, Connecticut

## Medical University of South Carolina Faculty

**Michelle Amaya, MD, MPH**  
Associate Professor  
Department of Pediatrics  
Medical Director, MUSC Level 1 Nursery

**Michael J. Barr, PT, DPT, MSR**  
Sports Medicine Manager  
MUSC Health Sports Medicine

**Shayla Bergmann, MD**  
Assistant Professor  
Department of Pediatrics  
Director, Pediatric Hemophilia Clinic

**Deborah Bowby, MD, MSc**  
Division Chief, Pediatric Endocrinology  
Medical Director Pediatric Diabetes

**Kirstin L. Campbell, MD**  
Assistant Professor  
Department of Pediatrics  
Attending Physician, Palliative Care

**Kathy H. Chessman, PharmD, FPPAG, FCCP, BCPS, BCNSP**  
Professor, Clinical Pharmacy and Outcome Sciences  
MUSC College of Pharmacy  
Clinical Pharmacy Specialist, Pediatrics/Pediatric Surgery  
MUSC Children's Hospital

**Alec DeCastro, MD**  
Assistant Professor  
Department of Family Medicine  
Residency Program Director  
Chief of Primary Care Sports Medicine

**Meryle Ekund, MD**  
Assistant Professor  
Department of Radiology and Pediatrics

**Josef K. Eichinger, MD**  
Associate Professor  
Orthopaedic Surgery & Sports Medicine  
MUSC Health Sports Medicine

**Sandra L. Fowler, MD, MSc**  
Professor  
Department of Pediatrics  
Director, Division of Infectious Diseases

**Alecia Good, MED, ATC**  
Athletic Trainer  
MUSC Health Sports Medicine

**Thomas K. Koch, MD**  
Professor  
Director, Pediatric Neurology  
Department of Pediatrics

**Lanier Jackson, MD**  
Assistant Professor  
Department of Pediatrics  
Division of Pediatric Cardiology

**Candi Jump, DO, MSeEd**  
Assistant Professor of Pediatrics  
Pediatric Gastroenterology Fellowship Director  
Division of Pediatric Gastroenterology, Hepatology, and Nutrition

**Robert F. Murphy, MD**  
Assistant Professor  
Pediatric Orthopaedics, Spine and Limb Deformity  
MUSC Department of Orthopaedics and Physical Medicine

**Harris S. Stone, MD**  
Assistant Professor  
Orthopaedic Surgery & Sports Medicine  
MUSC Health Sports Medicine

**C. Wayne Weart, PharmD, BCPS, FASHP, FAPhA**  
Professor Emeritus Department of Clinical Pharmacy and Outcome Sciences  
Professor of Family Medicine  
SC College of Pharmacy - MUSC Campus

**Lara Wine Lee, MD, PhD**  
Assistant Professor of Pediatrics and Dermatology  
Director of Pediatric Dermatology
### Course Schedule

**Friday, November 30**

<table>
<thead>
<tr>

</thead>
<tbody>
<tr>
<td>7:15</td>
<td>Registration and Breakfast</td>
</tr>
<tr>
<td>8:10</td>
<td>Welcome</td>
</tr>
<tr>
<td>8:15</td>
<td>Optimizing Nutrition for the Pre-term Infant after Discharge, <em>Kathy Chessman, PharmD</em>&lt;br&gt;Assess a pre-term infant's nutrition regimen for appropriateness; Design a plan to optimize the nutrition regimen for a pre-term infant, including human milk or formula and other nutrition supplements; Evaluate evidence related to short- and long-term nutrition-related outcomes in pre-term infants after hospital discharge.</td>
</tr>
<tr>
<td>9:00</td>
<td>Got Iron? <em>Shayla Bergmann, MD</em>&lt;br&gt;Recognize iron deficiency anemia in general pediatric patients, especially those at risk; Perform complete workup for IDA; Consider other possibilities for the anemia present; Decide adequate replacement options and dosing; Recognize when to refer to a Pediatric Hematologist.</td>
</tr>
<tr>
<td>9:45</td>
<td>Break</td>
</tr>
<tr>
<td>10:15</td>
<td>Newborn Nursery Standards and Families that Oppose Them - Strategies for Management, <em>Michelle Amaya, MD</em>&lt;br&gt;Review current standard care and recommended screenings in the Level 1 Nursery; Gain awareness of nursery care standards that are being refused by some parents; Explore strategies to approach parents who refuse recommended newborn care.</td>
</tr>
<tr>
<td>11:00</td>
<td>Update on the Evaluation and Management of Neonatal Herpes, <em>Sandy Fowler, MD</em>&lt;br&gt;Correctly utilize antibody testing strategies for risk assessment; Apply current guidelines for management of herpes exposed newborns; Appreciate the burden of herpes in neonates.</td>
</tr>
<tr>

Course Schedule Continued

At the end of each presentation, learners should be better able to fulfill the respective objectives stated.

**Saturday, December 1**

7:30  Registration and Breakfast
7:55  Welcome

8:00  **Mental Health in Teens, Kristin Rager, MD**  
Accurately recognize and diagnose anxiety and depression in teens per DSM-V. Provide evidence-based treatment recommendations to patient and family. Prescribe medications for anxiety and depression, including SSRIs.

8:45  **Tips and Tricks in Family-Based Obesity Treatment, Joseph Skelton, MD**  
Holistically assess the family system as it pertains to health habits. Apply the latest research on weight bias, family-centered communication, and health behavior to your practice. Evaluate the eating, cooking, shopping, and meal planning habits of families; Assess parenting practices around feeding and physical activity; and provide guidance on authoritative parenting. Educate children and parents on safe, evidence-based approaches to weight management.

9:30  Break

10:00  **ADHD Psychopharmacology, Carol Weitzman, MD**  
Recall different options within each class of medications used to treat ADHD. Describe a titration strategy and monitoring plan for children treated with medications for ADHD. Develop strategies to manage children with complex ADHD.

10:45  **Pediatric Gait Anomalies, Robert Murphy, MD**  
Describe and utilize nomenclature regarding the pediatric gait exam; Recognize common rotational and angular variations that account for gait anomalies; Recognize and evaluate concerning or underlying pathology that may present as a gait disturbance.

11:30  **The Pre-Participation Evaluation: A Practical Approach to Sports Physicals, Alec DeCastro, MD**  
Review concepts and objectives of the pre-participation evaluation. Perform a dynamic cardiovascular exam to screen for cardiac abnormalities; Perform a comprehensive Musculoskeletal Exam to screen for MSK problems; Identify and evaluate athletes with concussions; Recognize issues with the female athlete including the female athlete triad.

12:15  Lunch on your Own

2:00  Optional Workshops
4:15  Adjourn (adjourn 5:00 pm for Sports Medicine)

Please see following page for Saturday Afternoon Workshop options!

**Sunday, December 2**

7:30  Registration and Breakfast
7:55  Welcome

8:00  **Office-Based Strategies to Manage Behavioral and Emotional Problems in Young Children, Carol Weitzman, MD**  
Develop a plan to screen children for behavioral and emotional problems; Recognize how to distinguish children with mild problems from those with more serious ones. Use a few office-based techniques for children who present with mild or age-appropriate behavioral and emotional problems.

8:45  **Chronic Abdominal Pain: When to Worry and How to Talk to Families, Candi Jump, MD**  
Identify pediatric patients who require additional workup for complaints of chronic abdominal pain; Obtain a framework for communication of etiology of symptoms and treatment expectations to patients and families.

9:30  **Pediatric Metabolic Syndrome: Little Adults? Joseph Skelton, MD**  
Describe the components of the metabolic syndrome in children, recognizing variations in definitions; Screen for metabolic complications of obesity; Demonstrate ability to monitor, treat, evaluate and refer for the metabolic syndrome in children.

10:15  **Eating Disorders, Kristin Rager, MD**  
Accurately recognize and diagnose the most common eating disorders in teens per DSM-V; Monitor for and manage the medical consequences of eating disorders; Feel confident in their role in the team treatment of eating disorders.

11:00  Adjourn until 2019
Saturday Afternoon Workshops

1-HOUR WORKSHOPS - Choose Two. Session 1: 2:00-3:00 pm; Session 2: 3:15-4:15 pm.

Workshop 1: Imaging of the Pediatric Acute Abdomen, Marye Ekiund, MD

Description: Join a pediatric radiologist in reviewing appropriate imaging practices and important imaging findings in the pediatric patient with acute abdominal disease. Attendees will gain a deeper understanding of the radiologic work up of patients with a concerning clinical presentation through review of illustrative cases of acute appendicitis, bowel perforation, and various causes of gastrointestinal and genitourinary obstruction.

Learning Objectives: Recognize key imaging features of urgent and emergent diseases of the pediatric abdomen; Utilize first line imaging tests of choice in evaluation of pediatric patients suspected to have acute abdominal disease, including appropriate ordering of cross-sectional imaging and use of contrast material. Recognize the most common imaging mimics of acute abdominal abnormalities.

Workshop 2: Gender Identity, Deborah Bowby, MD

Description: A panel of medical and community professionals who work with children and families exploring gender identity issues will provide an overview of gender dysphoria. Cases will be presented to provide structure for interactive discussion among workshop participants.

Learning Objectives: Explain the diagnosis of pediatric gender dysphoria; Discuss management options; Delineate medical, mental health and community supports.

Workshop 3: Ask More Talk Less: Communicating Serious News, Kirstin Campbell, MD

Description: This workshop will use multimedia techniques and audience participation to develop strategies that target common challenges and pitfalls in patient/family communication.

Learning Objectives: Create an environment that enhances transfer of important information; List words to use and words to avoid when building a therapeutic relationship; Recognize and respond to the common emotions that patients exhibit when in distress.

3-HOUR SPORTS MEDICINE MINI-SYMPOSIUM - Saturday, 2:00-5:00 pm. You may not attend any other workshops.

Part 1: Concussion Management: Return to Learn and Return to Play Guidelines, Alecia Good, MEd, ATC

Description: This presentation will focus on the latest recommendation for concussion management in student-athletes with focus on return to learn/school and return to play guidelines.

Objectives: Allow student-athletes to have a smooth transition into the classroom after experiencing a concussion; Safely advise athletes on a protocol to progress to full athletic participation and reduce the risk for further injury.

Part 2: Pediatric ACL Injuries, Harris Slone, MD

Description: This presentation will review the epidemiology, mechanism, evaluation, and treatment of ACL injuries in the pediatric patient.

Objectives: Describe common mechanisms of injury and clinical presentation of ACL injuries in pediatric patients; Formulate an appropriate evaluation and initial management plan for acute pediatric knee injuries/suspected ACL tears.

Part 3: Shoulder Instability in Pediatric Athletes, Michael J. Barr, PT, DPT, MSR

Description: Intended for the pediatric healthcare professional to identify signs and symptoms of anterior and multi-directional shoulder instability in pediatric athletes including examination techniques and treatments.

Objectives: Identify signs and symptoms of anterior and multi-directional shoulder instability; Demonstrate examination techniques to support the diagnosis; Discuss treatment options including home exercise programs and when to refer to an Orthopaedic specialist.

Part 4: Little Leaguers Arm Pain: Diagnosis & Treatment in age of Sports Specialization, Josef K. Eichinger, MD

Description: Presentation on Arm Pain in Overhead Athletes such as baseball, softball, and tennis players. Review common injury patterns, diagnostic methods, treatment strategies, and injury prevention measures.

Objective: Diagnose and treat common upper extremity injuries in pediatric athletes. Determine which imaging studies should be ordered and when to refer to physical therapy or orthopaedic surgery based on history and physical exam. Determine if patients at risk for overuse syndromes and strategies for interacting with patients and families on appropriate limits to play and prevention.
Registration Fees

Register by September 30, 2018 for the Early Bird Rate!

The fee includes continental breakfasts, coffee breaks, access to online course syllabus and/or printed course syllabus and credit processing. Note: Those who opt for an online syllabus only will save $40.00!

Please make your check payable to Medical University of South Carolina and mail with the registration form included in this brochure to:
Elizabeth Gossen, MUSC Office of CME, 96 Jonathan Lucas Street HE 221A, MSC 754, Charleston, SC 29425

Pre-registrations will be accepted until November 20, 2018 or until conference capacity is reached. After November 20, you must call the MUSC Office of CME at 843-876-1925 to see if space is still available. If space is still available, you must register on-site, at an increased registration rate.

Cancellations

A refund will be made upon written request prior to October 30, 2018; however, $100.00 will be retained for administrative costs. No refunds will be made after October 30, 2018. We reserve the right to cancel the program if necessary. Full registration fees will be refunded for cancelled programs. The Medical University of South Carolina cannot be responsible for reimbursement of airline or other transportation fares, hotel or rental car charges, including penalties. By registering for this conference, you acknowledge and agree to this cancellation policy.

Hotel Information

The Francis Marion Hotel
387 King Street, Charleston, SC 29403

The Francis Marion Hotel, historic Charleston’s landmark full service hotel, is in the heart of Charleston’s historic district. Located at the newly restored Marion Square, the Francis Marion Hotel is only a few blocks from the Charleston Visitor Center, South Carolina Aquarium, restaurants, boutiques, galleries, museums, antique shops and nightlife. The hotel offers valet parking, spa, concierge, retail shops and the Swamp Fox Restaurant & Bar.

Special group rates start at $175.00, plus tax, per night. A limited number of guest rooms have been reserved and are being offered on a first come, first serve basis. The room block will be held until Wednesday, October 31, 2018 however the room block may be filled prior to this date. In such a case, neither the group rate nor guest room availability can be guaranteed. Therefore, we recommend you make your reservation as soon as possible. Reservations can be made by calling the hotel directly at 843-722-0600 or 877-795-2121 and identifying yourself as being a participant in this meeting, or by following the online directions below.

Link for online reservations: https://reservations.travelclick.com/76320?groupId=1755026

Online Booking Code: PEDIATRICS18

Parking: Valet parking at the hotel is available at $25.00 plus tax, per day and can be added to your guest folio. In addition, self-parking is available at $20.00 per day (cash). Rates are subject to change without notice.

Holiday Magic in Historic Charleston

Holiday Festival of Lights
November 9, 2018 – January 1, 2019
James Island County Park

The journey begins with a magical drive along 3 miles of forest paths aglow with light sculptured art. With over 600 displays located throughout the park, the Holiday Festival of Lights is a magical sight to see!

As you drive, surprises spring from behind every bend... a shrimp boat afloat on the horizon... a towering oak reaching skyward with boughs illuminated against the night sky.

Local history looms larger than life with a Charleston Row House and Old Man Winter showers oaks with his icy breath.

Travel down memory lane, where storybook sea creatures and glittering dinosaurs rise up out of the dark... and mitten children hurl electric snowballs.

You’ll soon find a myriad of themes as you wind your way through the park.
Registration Form
21st Annual Frontiers in Pediatrics
November 30–December 2, 2018 • Francis Marion Hotel • Historic Charleston, SC
By completing this form, you agree to the cancellation policy outlined in the brochure.
