I. INSTRUCTIONS FOR APPLICANT

Applications may be submitted at any time before the application deadline of August 1 of the year preceding the anticipated start of your program. For example, the application deadline is August 1, 2018, to begin the program Summer, 2019. Application as early as possible is strongly recommended. This is the deadline for all application materials, including those submitted to ADEA PASS. NOTE: the first step in using PASS is for the applicant to register and pay your PASS registration fee. Nothing will happen at PASS until you have paid and are registered.

Our residency program will participate in Phase I of the Match during the Fall 2018 application cycle (for students who will start the residency in Summer 2019). Applicants must register with the Match program. The Match and ADEA PASS share a registration portal for applicants, so applicants who want to register for the Match must go to the ADEA PASS website to complete the Match registration process. Applicants will be charged the Match registration fee at that time. For more information, go to Match web site.

While not mandatory for applicants from CODA-accredited dental schools, the ADAT or GRE exam are still recommended, especially for applicants from schools that do not rank or provide grades.

Application through ADEA PASS is required (ADEA PASS application materials are accepted in mid-May).

Be sure to include a personal check or cashier's check for the application fee of $50.00 (US dollars only) and made payable to Graduate Periodontics MUSC
