7th Annual Otolaryngology Literature Update

Medical University of South Carolina
July 14 - 16, 2017 | Kiawah Island Golf Resort, SC

MUSC Department of Otolaryngology – Head & Neck Surgery
MUSC Office of Continuing Medical Education | Charleston, SC

The Department of Otolaryngology – Head and Neck Surgery at MUSC is proud to present our 6th Annual Literature Update Course at the Kiawah Island Golf Resort, SC, on July 14-16, 2017.

How does a busy clinician stay current in our rapidly expanding specialty? The literature is replete with new or refined diagnostic procedures, operative interventions and treatment algorithms. It is a difficult, if not at times bewildering, task to digest this information.

This course is designed to help. Eighteen of our faculty members are charged with reviewing last year’s literature in their subspecialty, and then choosing the 6 to 8 best articles for critical review. To be considered best, we are especially looking for seminal works and those with a strong evidence base. Importantly, the manuscripts must have significant applicability to every day clinical practice.

The entire specialty – head and neck cancer, FPRS, otology-neurotology, endocrine disease, sleep disordered breathing, allergy, rhinology-sinus disease, voice and swallowing disorders, and pediatric ENT will be covered in 18 lectures. Each attendee will receive a list of all articles selected for review and the presenters’ presentations.

In 3 days, more than 100 manuscripts will be reviewed, and those “pearls” important to your practice will be emphasized. I believe that there may be no better way to stay current in our field than with this Literature Update Course. I hope you will join us in a beautiful location along the South Carolina coast this July.

Paul R. Lambert, M.D.
Professor and Chair

Educational Needs
The educational content will address identified professional practice gaps in order to improve professional and/or patient outcomes. Practitioners can benefit from:

• Presentations of findings from expert critical assessment of the most relevant, current evidence-based medical literature.
• Expert lectures and discussions to evaluate best practices and strategies for how to translate the evidence into practice.

Objectives
Upon completion of this conference, participants should be able to:

• Reference the most relevant, current evidence-based medical literature to optimize treatment options for patients.
• Translate new research and best practices from evidence-based medical literature into clinical practice.
• Apply the most current diagnostic and therapeutic approaches to their patients, based on evidence-based research.

Credit Designation
The Medical University of South Carolina designates this live activity for a maximum of 15.75 AMA PRA Category I Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement
The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Accommodations
One-bedroom Scenic Villas are reserved for this conference at the Kiawah Island Golf Resort. Please call the hotel directly at 1-800-654-2924 for reservations. Reference the group as MUSC Department of Otolaryngology. The villa rates are $275.00 + tax + 9% resort fee per villa per night. Our base rate at the 5-star Sanctuary Hotel is $599.00 per night. Upgraded villas available upon request.

The room block will expire June 13, 2017. Reservations received after this date will be filled on a space-and-rate available basis.

Americans with Disabilities Act
It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Department of Otolaryngology – Head and Neck Surgery at 843-876-0943 or attach a note to your registration.

WHAT PARTICIPANTS ARE SAYING

This is the best and my favorite ENT conference I attend and I look forward to attending it every year. MUSC ENT staff is definitely the cream of the crop!

Great coverage of multiple high yield topics.

Overall, the conference was well organized and well executed, and Kiawah Island was a beautiful vacation site.

Great conference, will be back next year.

I thought the conference was planned and executed well in a beautiful collegial setting.
