The fifth annual Charleston Pediatric ENT Update is a comprehensive full day course designed to provide otolaryngologists, pediatricians, and family practitioners with up-to-date guidelines to implement in their daily practice, promote quality and efficient care, and tackle challenging ENT diagnoses with confidence.

Course Objective
Upon completion of this course the participant should be able to better examine and justify regional and institutional variations in standards of care for children with cervical lymphadenopathy, chronic rhinosinusitis, and unilateral hearing loss.

Keynote Speaker
Lee P. Smith, M.D.
Associate Professor
Chief, Division of Pediatric Otolaryngology
Steven and Alexandra Cohen
Children’s Medical Center of New York

Course Director
David R. White, M.D.
Professor
Director, Pediatric Otolaryngology
MUSC Children’s Health Surgeon in Chief

Guest Speakers
Emily F. Boss, M.D.
Associate Professor, Otolaryngology - Head and Neck Surgery, Johns Hopkins

David A. Gudis, M.D.
Assistant Professor, Otolaryngology - Head and Neck Surgery, Columbia University Medical Center

Carlton J. Zdanski, M.D., FAAP, FACS
Associate Professor
Chief, Pediatric Otolaryngology - Head and Neck Surgery
UNC School of Medicine

MUSC Oto-HNS Faculty Speakers
Christopher M. Discolo, M.D., M.S.C.R.
Assistant Professor, Pediatric Otolaryngology
Medical Director, Craniofacial Anomalies and Cleft Lip & Palate Team

Meredith A. Holcomb, AuD
Clinical Director, Cochlear Implant Program

Alexander P. Marston M.D.
Clinical Instructor, Pediatric Otolaryngology

Theodore R. McRackan, M.D.
Assistant Professor, Otology - Neurotology
Director, Skull Base Surgery Center

Samuel L. Oyer
Assistant Professor
Facial Plastic & Reconstructive Surgery

Krishna G. Patel, M.D., Ph.D
Associate Professor
Director, Facial Plastic & Reconstructive Surgery
7:30 - 8 a.m.  Registration & Breakfast, network with Exhibitors

8 - 8:05 a.m.  Welcome.................................................................David R. White, M.D.

8:05 - 8:35 a.m.  Post-Adenoidectomy Velopharyngeal Insufficiency
........................................................................................................Alexander P. Marston, M.D.

The participant will be better able to: 1) assess patient and procedural factors that predispose to an increased risk of developing velopharyngeal insufficiency status-post adenoidectomy; 2) interpret evidenced-based treatment recommendations regarding when and how to intervene in patients with post-adneoidectomy velopharyngeal insufficiency.

8:35 - 9:05 a.m.  Management of Cervical Lymphadenopathy in Children
........................................................................................................Christopher M. Discolo, M.D.

The participant will be better able to evaluate the indications for lymph node biopsy in children with lymphadenopathy.

9:05 - 9:50 a.m.  Facial Reanimation Options in Children..............Samuel L. Oyer, M.D.

The participant will be better able to differentiate between reversible and irreversible causes of facial paralysis and apply various facial reanimation techniques to the appropriate patient.

9:50 - 10:10 a.m.  Q&A

10:10 - 10:25 a.m.  Break, networking with exhibitors

10:25 - 11:05 a.m.  Update on Pediatric Sinus Surgery: Outcomes and Indications
................................................................................................................David A. Gudis, M.D.

The participant will be better able to apply the latest evidence of pediatric rhinologic disorders and management to their patient population.

11:05 - 11:50 a.m.  3D Printing and Bioprinting in Otolaryngology.........Lee P. Smith, M.D.

The participant will be better able to: 1) interpret the concept of 3D printing and its potential uses in Otolaryngology; 2) describe 3D printing C) evaluate the potential for 3D bioprinting to change medicine and surgery over the next 30 years.

11:50 - 12 p.m.  Q&A

12 - 12:15 p.m.  Break, networking with exhibitors

12:15 - 1 p.m.  Lunch Panel:  Treatment of Unilateral Sensorineural Hearing Loss in Children........................................Meredith A. Holcomb, AuD; Carlton J. Zdanski, M.D.; Lee P. Smith, M.D.; Theodore R. McCrackan, M.D.

1 - 1:45 p.m.  It’s all talk: Communicating for Better Decisions in Pediatric Otolaryngology..................................................Emily F. Boss, M.D.

The participant will be better able to apply shared decision making and outline its importance in surgical management of children with otolaryngology problems.
1:45 - 2:15 p.m. **Operating Room Fires: Risk Factors and Prevention**

The participant will be better able to: 1) assess the conditions that place patients at risk for OR fires; 2) outline strategies for decreasing the risk of operating room fire; 3) manage a fire, if one were to occur.

Lee P. Smith, M.D.

2:15 - 2:30 p.m. Q&A

2:30 - 2:40 p.m. Break, networking with exhibitors

2:40 - 3:30 p.m. **Vascular Anomalies in Children**

The participant will be better able to interpret the current classification system for vascular anomalies and implications for surgical and nonsurgical treatment options.

Krishna G. Patel, M.D.

3:30 - 3:45 p.m. Q&A

3:45 p.m. Adjourn - *Thank you!*

---

**CREDIT DESIGNATION**
The Medical University of South Carolina designates this live activity for a maximum of 7.0 AMA PRA Category I Credit(s)™. Physician should only claim the credit commensurate with the extent of their participation in the activity.

**ACCREDITATION STATEMENT**
The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMERICANS WITH DISABILITIES ACT**
It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Department of Otolaryngology - Head and Neck Surgery at 843-876-0943 or attach a note to your registration.

**DISCLOSURE STATEMENT**
In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.
