Important Information Regarding Your Student Health Insurance Plan

Call 911 if you are experiencing a life-threatening emergency or go to the nearest emergency department.

Every time you go to the Emergency Room, it costs hundreds of dollars!

Visit an urgent care center for a sore throat, and your average bill will be $94; at an ER, the average tab comes to $525.

Many insurance plans include a variable deductible, coinsurance, or a co-pay. That means the higher the bill, the more money YOU pay out of YOUR own pocket!

The following steps could save you money:
