

## 2015 – 2016 Honor Roll of Donors

The Medical University gratefully acknowledges all of the generous donors who support our mission of providing compassionate patient care, world-class education and cutting-edge research for those we serve. As a state institution, our excellence as a leader in health care is only made possible through philanthropy.

The Honor Roll of Annual Donors recognizes the Medical University's benefactors who made a gift of at least \$1,000 during the previous fiscal year. The list below includes those individuals, businesses, foundations and organizations that made contributions to the MUSC Foundation at the indicated gift levels between July 1, 2015 and June 30, 2016.
