Please retain this acknowledgement in satisfaction of the IRS requirement that charitable contribution deductions of \$250 or more must be substantiated by a contemporaneous written acknowledgement from the donee organization. If a deduction in excess of \$500 will be claimed for the donated noncash property, you must file IRS Form 8283 with your tax return for the year you contribute the property and claim a deduction. For gifts of property (other than money or publicly traded securities) for which you will claim a value in excess of \$5,000, the IRS also requires that you obtain a "qualified appraisal" of the property and have parts III and IV of the Form 8283 completed by the qualified appraiser and the donor organization, respectively.

The Medical University of South Carolina Foundation is a 501(c) (3) tax-exempt charitable organization. Your contribution is tax deductible to the fullest extent of the law.
