**Staff Development and Training**

Training is a valued resource. MUSC Department of Human Resources Management offers training for leaders and staff to promote growth of knowledge and skills.

Training may be presented on-line, classroom setting, or “specialized” to meet the needs of the campus community. A wide variety of training topics are offered, to include, but are not limited to:

- Human Resources Policies and Procedures
- Financial Policies and Procedures
- IT Training
- Communication Training
- MUSC Excellence Training.

MUSC Department of Human Resources Management Training opportunities and registration form may be found at the following site:
