MUSC Health

Prior to the MUSC Health budget presentation, Dr. Cawley gave an update on the following:
• Health reform Effects
• Exchange / Market Place Plans
• Cost Improvement Plans

Mr. Steve Hargett, CFO, MUHA, presented the MUHA FY 2017 budget projecting a net income of $54,155,482.
Ms. Gina Ramsey, CFO, MUSC-P, presented the proposed MUSC-P FY2017 budget projecting a change in net position of ($1,952,852) and the proposed MUSC-P Primary Care FY2017 budget projecting a change in net position of ($1,255,877). Highlights from the presentation are as follows:

**MUHA Revenue Assumptions:**
- Patient Activity increases include: Patient days of 2.5%, Surgical Activity of 3.6%, Radiology Procedures of 3% and Lab Tests of 1%.
- Medicare FFY 2017 Inpatient Proposed Rule includes 1.3% increase.
- No Medicaid change in reimbursement.
- Disproportionate Share reduced $7.5M for 2012 settlement recorded in 2016.
- Other Revenue increase of 4% due mainly from new Children’s Eating Disorders Program funding.

**MUSC-P Revenue Assumptions:**
- Growth of 1.9% in clinical collections over the current year due to increased clinical faculty growth in ambulatory visits and procedures.
- No across the board rate increases but only in selected areas.
- Supplemental Medicaid (DHHS and MCO) payments are budgeted unchanged when compared to the FY 2016 budget. Program has been stabilized, although reduced from prior years, and will not go away.

**MUHA/MUSC-P Expense Assumptions**:
- Salaries and Wages – 3% average merit effective October, 2016. MUHA - reduction of 80 FTEs from current pay period and increase in State Retirement of 0.5%. MUSCP – FTE increases relate to clinical growth and Benefit increases relate to growth in health insurance.
- Supplies – increase due to growth and inflation absorbed by cost reduction initiatives.
- Depreciation and Interest – based on known capital purchases and funding requirements per current bond documents.

**MUHA Non-Operating Revenue (Expense) Assumptions**
- State Appropriation of $27.75M is funding for Telemedicine of $17M (MUHA - $16M, AnMed Health - $1M) and Shawn Jenkins Children’s Hospital of $10.75M.
- Gifts and Grants of $18.75M represent fundraising for the Shawn Jenkins Children’s Hospital.
- Issuance Costs of $10.5M is the financing expenses for the Shawn Jenkins Children’s Hospital.

**MUSC-P Non-Operating Revenue (Expense) Assumptions**
- Remain about the same as 2016 projected actual
