**General Report of the Vice President for Development**

Mr. Jim Fisher reported that through June 30, 2013, we received more than $59.1 million in new gifts, pledges and pledge payments, which represents a 4% increase over the goal of $56.9 million.

Mr. Fisher summarized highlights from this past year. For FY2014, 11 gifts or pledges at the level of >$1 million were received. Current verbal commitments exceed $10 million. Our top 20 gifts for the year accounted for $21.5 million (36%). The Office of Planned Giving continues to be highly effective, raising $15.7 million (11% over goal) in new deferred gifts. The number of gifts totaled 18,366 from 10,417 donors, and there were 4,576 new donors during this past fiscal year. Mr. Fisher noted that on-line giving efforts continue to be impressive with an increase of 63% compared to last year. The Annual Giving Office raised $4.1 million (10% over goal) and the employee YES Campaign also exceeded its goal by 4% raising $313,000.

Mr. Fisher reported on two new recruitments to the development team. He introduced Ms. Sallie Hutton as the new Executive Director of Alumni Affairs, and Ms. Linda Cox as the new Associate Director of Planned Gifts.

In terms of communication, Mr. Fisher reported that the first Annual Report of Giving was produced that highlights the impact of gifts received and has been very well received. The office sent out 243 Endowment Reports that provided donors with an attractive and transparent report of the year’s investment performance. The office also launched a monthly stewardship e-bulletin called Thank-You Notes to show the impact of giving, with an overwhelmingly positive response.

Mr. Fisher highlighted some other key accomplishments since the May meeting of the Board of Trustees. A $1 million planned gift was received from the David J. Levidow Revocable Trust to endow a chair in Alzheimer’s research. The Josiah Macy, Jr. Foundation granted $397,000 to the College of Nursing for virtual interprofessional education. An anonymous donor has bequeathed $500,000 to underwrite two named Fellowships in Cardiology. Zimmer Dental contributed ~$300,000 in dental implant equipment and supplies for the Division of Prosthodontics. Sherman Financial Group made a $200,000 gift to the Storm Eye Institute for vision science scholarships. The College of Pharmacy Class of 2014 raised more than $11,000 in honor of Dr. Joe DiPiro, the college’s first executive dean. Mr. Fisher acknowledged the substantial efforts of Ms. Leigh Manzi and Mr. Terry Stanley in securing many of these gifts.

Mr. Fisher noted that the goal for 2014-2015 is to raise $67.6 million in new gifts, pledges and pledge payments, with a goal of $29.8 million towards the new Children’s Hospital and Women’s Pavilion.

Item 11. MUSC Naming Guidelines – Policies and Procedures

The draft policy was based on surveys of policies in place at numerous other institutions, and addresses naming of academic units or centers, physical facilities, programmatic endowments, small miscellaneous items, renaming of buildings or space, and honorific naming opportunities, as well as funding requirements and donor recognition standards. The draft policy was discussed and approved by the committee.
