REGULAR AGENDA

Item 6. General Report of the Vice President for Development

Mr. Jim Fisher reported that the MUSC Shawn Jenkins Children's Hospital campaign has reached $103,402,550, representing 83% of the goal of $125 million. The following gifts and pledges have been received since the groundbreaking:

- $2 million pledge payment from Shawn Jenkins
- $2 million from Spirit Communications
- $1 million from John and Jennifer McGrath
- $1 million planned gift from Terri Henning
- $500,000 from Gene Reed
- $150,000 from Tom Parrington
- $100,000 from Bennett Hospitality

Mr. Fisher also reported that the Office of Development has had an active first quarter. Through October 12, they have secured over $21.6 million in new gifts and pledges.

Mr. Fisher shared the following highlights which have transpired since the August meeting of the Board of Trustees:

DEPARTMENT OF NEUROSCIENCES

- The Neuroscience Advisory Board is continuing its planning for the $15 million campaign for neurosciences, with tentative plans to launch the silent phase of the campaign in calendar year 2017.
- Neuroscience Advisory Board Vice Chairman, Bill Baker, recently pledged $200,000 over two years in continued support of the Zucker Institute for Applied Neurosciences (ZIAN). Additionally, Mr. and Mrs. Baker provided $150,000 in support of the Storm Eye Institute's Ocular Oncology Program.
- Additionally, Anita Zucker, Neurosciences Advisory Board Chair, has pledged a $2 million lead gift.

DEPARTMENT OF SURGERY

- The Patterson-Barclay Memorial Foundation made a $471,000 gift to transplant surgery immune-biology research. Family members are grateful patients.
• XOMA made a $100,000 contribution to the David J. Cole MD Fund for Surgical Oncology Innovation to support Dr. Mark Rubenstein's research in immuno-oncology.

STORM EYE INSTITUTE
• Storm Eye Institute received a $200,000 deferred gift to support Glaucoma Research from Mr. and Mrs. Robert Mason.
• The Institute also received a gift of $150,000 from the Brightfocus Foundation to support research in macular degeneration.

HOLLINGS CANCER CENTER
• Mr. and Mrs. Robert Mason made a planned gift of $200,000 to support melanoma and non-melanoma skin cancer research.
• Mr. and Mrs. Bud Mann made a planned gift of $100,000 to support breast cancer research.

DEPARTMENT OF MEDICINE
• Dr. Roger and Jill Baim provided a significant gift of $350,000 in support of the Kilby Endowed Chair and the Roger and Jill Baim MICU Support Fund. The Baims are immensely grateful for the lifesaving care provided to Dr. Baim in 2014 by the MICU team and physicians from the Divisions of Pulmonary and Critical Care Medicine, Nephrology and Infectious Diseases.

COLLEGE OF MEDICINE
• The Medical Society of South Carolina contributed $285,000 to provide ongoing scholarship support to the Roper St. Francis Physicians Scholarship Program.
• Dr. Alexander Pappas ('85), of Little Rock, Arkansas, has provided for a bequest totaling $100,000 to endow two named scholarships in the College of Medicine.
• Dr. Ray and Lisa DuBois, along with Lisa's siblings, pledged $50,000 to establish the Sol and Ditty Abrams Endowed Scholarship in honor of Lisa's parents.
• Retired faculty member Dr. Hilda Debacker made a seven-figure planned gift to fund the Rene and Hilda Debacker Endowed Scholarship in the College of Medicine.

COLLEGE OF HEALTH PROFESSIONS
• The College of Health Professions launched the public phase of its 50 Anniversary Fundraising Campaign in August. Over $1.7 million has been raised to date toward the $3.5 million goal. The campaign will conclude in December 2017.

COLLEGE OF PHARMACY
• The College of Pharmacy hosted its annual Pharmacy Scholarship Luncheon for donors and student scholarship recipients on August 19th. More than $174,000 in scholarship funds was awarded, representing 39 named scholarships and 113 individual awards.
Dr. Blake Putney, former associate dean for the College of Pharmacy, has made a gift of $100,000 from an IRA transfer to support the Building the Future of Pharmacy Campaign, and endow the Dr. and Mrs. Blake F. Putney Scholarship.

ALUMNI AFFAIRS
- An Evening with Dr. David J. Cole in Orangeburg was held on September 8th. Barbara Johnson-Williams was instrumental in scheduling the event and encouraging many members of the Orangeburg community to attend. The Orangeburg Regional Medical Center contributed financially and had several members of their leadership team and trustees attend.

PLANNED GIVING
- To date, the Office of Development has over $164 million in documented planned giving expectancies recorded.

SPECIAL EVENTS
- Mr. Fisher distributed a calendar of events of special events opportunities and asked that if anyone like to attend or needs additional information to please contact him.

BOARD OF VISITORS
- Mr. Fisher recently sent forms for 2017-2018 Board of Visitors nominations. Board members are asked to return these forms in the next couple of weeks so approvals and notifications can be made.

Action: Report received as information.

Item 7.

Appointments for MUSC Board of Visitors 2017-2018

This item was deferred until December.

Item 8.

General Report of the Vice President for Research

Dr. Kathleen T. Brady reported that the figures are final for FY 2016 WITH MUSC's funding levels surpassing $259M. For 2015, MUSC has moved to 41h in the rankings for NIH funding with three departments in the top 10: Otolaryngology, Psychiatry & Behavioral Sciences, and Neuroscience. The College of Nursing and College of Health Professions continue to demonstrate upward trajectory with 2015 rankings of 20th in the nation for the College of Nursing and 3rd in the nation for the College of Health Professions. Currently, MUSC's federal funding levels have increased with corporate funding representing a smaller percent of the portfolio.

Dr. Brady stated that a strategic plan for her office is to foster cross-campus, interdisciplinary collaborations through multi-component grant submissions. She thanked Mr. Baker for reviewing the research portfolio with her and offering suggestions about what information she can present during future meetings. Dr. Brady encouraged Board members to contact her with suggestions on topics she could present.
**Item 9.**

**Report of the Executive Director of the MUSC Foundation for Research Development**

Mr. Michael Rusnak introduced the Chair of the Foundation for Research Development (FRO) Board, Dr. Perry B. Molinoff. Dr. Molinoff praised Mr. Rusnak as his efforts have been transformational for the organization. Dr. Molinoff reviewed the mission of the FRO and stated the FRD's goal is to obtain a portfolio of technologies that can be licensed or translated into products. He provided an updates on SBIR/STTR support, marketing efforts, and peer comparisons. Of the 64 start-ups at MUSC (61 from MUSC intellectual property), 38 are still active.

Dr. Molinoff also outlined FRD’s economic impact for MUSC, culminating in greater than $28M of research funding and licensing revenue back to the institution. This represents nearly a 2X return on the dollars committed by MUSC to FRD.

Mr. William H. Bingham, Sr.  Dr. Charles B. Thomas, Jr.
Dr. Donald R. Johnson, II

The meeting was called to order by Dr. Conyers O'Bryan, Chair.

Student Update: Neizel Songalia, fourth year dental medicine student, gave a general update on behalf of the Student Government Association stating students had returned safely to school after Hurricane Matthew. Ms. Songalia spoke briefly on the upcoming social events and service projects.

Provost Report:
Dr. Patricia Blanton, Interim Dean of the College of Dental Medicine, gave an update. Currently, the college has 75 students enrolled out of 1200 applicants. Average GPA is 3.55 and Dental Aptitude Test (DAT) is 20/22. Demographics are 33 women and 42 men, and statistics on diversity are improving.

The National Board Pass Rate first time is 96% for both part I and II. The State Board Pass Rate is 100% within one month of exam. The college consists of 51 full-time faculty, 32 part-time, and 173 volunteer faculty including 81 from off-site locations.

The college receives ~$5.7M in state appropriations; ~$21M in tuition dollars, clinical revenue ~$9.3M, ~$5.7M in grants and other in philanthropy under ~$3M. Annual Operating Budget Revenue is $42.6M and Expenses at $42.4M. The debt on the new clinical building has been ~$1.4M annually and should be covered in the new state appropriations.

College of Dental Medicine is located in two buildings. The new 120K sf clinical building is a model facility and services ~40K patients with revenues of ~$9.2M. The Basic Science Building was built in 1970 and ~64K sf of administrative offices, didactic education, ~12.5K sf in research space, and simulation lab. Dental medicine also provides care for patients of special needs, Digital Dentistry providing 3D restoration in the office, and ROADS outreach programs for children and older population.

The accrediting body requires all dental schools to have a research component. Our dental school research funding is up from $2.1M to $4.5M. Dental Medicine will have their next accreditation site visit in September 2017.
Future directions and high priority for the college is to renovate Basic Science 433 and adjacent lounge to expand and update the classroom to become a Collaborative Learning Education Environment for small group learning, and the Ashley Avenue entrance to the Basic Science Building to reflect the modern design of other renovated spaces. Recruit high qualified faculty and generate more revenues.

REGULAR AGENDA

Item 27. Financial Status Report of the Medical University of South Carolina.

Patrick Wamsley presented the August 31, 2016 interim financials and reported 143 Days of Operating Cash and a Current Funds (Operating Budget) margin of ($1.9 million) or (1.63%). He noted increases in federal and MUSC Physicians Reimbursements, all positively impacting the bottom line.

Mr. Wamsley also discussed how certain non-cash transactions such as the pension expense, investment earnings/losses and depreciation expense affected the all-funds (audited) financial statements.

Recommendation of Committee: Received as information

Patrick Wamsley requested the Board of Trustees to approve a resolution providing for the issuance and sale of refunding revenue bonds in the aggregate principal amount not to exceed $31 million. These bonds would be used to refinance the Bee Street Garage. Preliminary estimates indicate an annual savings of approximately $280,000 for the remainder of the term of the refunded bonds.

Recommendation of Committee: Recommend approval.

Ms. Gina Ramsey gave an update on the MUSC Physicians’ financial performance through August 2016.
