Written Statement – Conflict of Interest  

This written statement is prepared pursuant to Section 8-13-700(B), Code of Laws of South Carolina 1976, as amended.  

Name: Donald R. Johnson, II, MD  
Position: Chairman  
Date: May 18, 2017  

Description of the matter requiring action or decision: Item 14.1 of the MUHA Board of Trustees Agenda: Approval of a lease for an Ambulatory Surgery Center and other clinical space located in Mount Pleasant, South Carolina.  

Nature of the potential conflict of interest with respect to the action or decision: There is before the Board of Trustees a proposed lease of an ambulatory surgery and clinical services space in Mt. Pleasant. That space was formerly owned by and is currently leased by Southeastern Spine Institute and/or Southeastern Spine Institute Real Estate Partners, LLC. Because this lease, if approved, may affect an economic interest of myself or a business with which I am associated, and to avoid any potential conflict of interest, I wish to recuse myself from any vote, deliberation, or other action on the matter. I therefore request to be excused from the meeting while this matter is under consideration and that this statement be reflected in the minutes of this meeting.  

When completed, present to the chair of the Board or presiding officer who shall cause the statement to be printed in the minutes and who shall require the preparer to be excused from any votes, deliberations, and other actions on the matter.  

Donald R. Johnson II, MD
