Diabetes Strategies for the 21st Century

February 7 & 8, 2017
North Charleston Marriott
4770 Goer Drive, N. Charleston, SC 29406

Sponsored by:
The Diabetes Initiative of South Carolina, MUSC, Charleston
South Carolina College of Pharmacy, Columbia
Lowcountry AHEC, Walterboro
DIABETES STRATEGIES TARGET AUDIENCE

This continuing education program has been designed as a supplement to CDE Exam preparation. This seminar reviews state of the art diabetes care, from pathophysiology to current trends in diabetes management and principles of teaching and learning. Your patients will benefit as you expand your skills. The program is recommended for all health professionals who want to expand their knowledge of diabetes education, including pharmacists, hospital staff, home health professionals, office nurses, dietitians, counselors, and others working with patients with diabetes.

COURSE OBJECTIVES

At the end of the program, the participant will be able to:
• Review the pathogenesis of diabetes mellitus (DM).
• Discuss principles of DM management in childhood through adolescence.
• Explain diabetes management in pregnancy.
• Analyze Medical Nutrition Therapy as an approach to the non-pharmacological management of DM.
• Apply the pharmacological treatment of diabetes to case studies.
• Discuss three acute complications of diabetes with treatment modalities.
• Describe the vascular complications of DM.
• Explain the microvascular complications of diabetic eye disease.
• List the psychosocial aspects of DM.
• Identify principles of glucose monitoring.
• Discuss exercise in the management of DM.
• Review DM self-management with regard to the American Association of Diabetes Educators 7™ (AADE 7).

ACCREDITATION AND CREDIT

Nurses: This nursing continuing education activity awards 14.4 contact hours upon successful completion (Day One - 7.2; Day Two - 7.2).

Lowcountry AHEC (Provider Number 1601-002PR, Expiration Date January 11, 2019) is an approved provider of continuing nursing education by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Neither Lowcountry AHEC nor the American Nurses Credentialing Center endorses or approves any products that may be associated with this continuing education activity.

Other Health Professionals: This program provides a total of 1.4 CE (14.0 clock hours: Day One - 7.2; Day Two - 7.2) by Lowcountry AHEC and meets South Carolina AHEC Best Practice Standards.

Pharmacists: The South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. The program is accredited for a total of 14 contact hours (Day 1 - ACPE#0062-9999-17-013-L01-P for 7.0 [0.7 ceus]; Day 2 - ACPE#0062-9999-17-014-L01-P for 7.0 [0.7 ceus]). Participants must sign-in at registration each day and attend entire program. Instructions to complete evaluations and report credit will be provided. A complete listing of all learning objectives will be provided at the conference. This is a knowledge based activity.

Note: Participants must attend 90% of the education offering to receive a certificate of attendance. No partial credit will be given.

ADA Continuing Education Requirements: 14 hours of Continuing Education are required for all non-CDE or BC-ADM Instructional Staff for multi-discipline programs.
NOTE: The course syllabus will be available online by January 30, 2017 at www.musc.edu/diabetes. Please print your own copy prior to the program. No printed copies will be available at the program.
