Laurie Scott has been appointed the MUSC College of Nursing’s new development director. She brings over 19 years of experience in strategic fundraising and communications with expertise in planned giving, major gifts, and charitable/corporate foundations and trusts. Laurie joined the College in September after four years as development manager of gift planning for the University of Auckland (NZ) where she worked across all disciplines to raise funds for the University’s $125 million capital campaign. Laurie is committed to honoring the rich tradition of nursing at MUSC and ensuring the College takes its place as one of the top nursing schools in the country.
