**Medical University of South Carolina
College of Nursing**

Prior to registering for Mentored Research (NRPHD 971), Mentored Teaching (NRPHD 800), Mentored Health Policy & Advocacy (NRPHD 808) and Special Topics in Nursing Science (NRPHD 723), the student must:

1. Discuss the proposed course with a faculty member
2. Obtain consent of a faculty member (to precept the student) for the proposed course
3. Complete contract form with a faculty member specifying:
 - a) purpose of the proposed plan
 - b) learning objectives of the course
 - c) evaluation criteria and method
4. Contract form must be signed and dated by the faculty and student.

Once this form has been completed, the student must submit the contract to the Office of Student Services, College of Nursing room 216. The student and faculty should keep a copy of the contract.

You cannot preregister for NRPHD 971, NRPHD 800, NRPHD 808 or NRPHD 723 until you and your preceptor have completed and signed this contract.

NOTE: Students must have successfully completed all prerequisites for NRPHD 971, NRPHD 800, NRPHD 808 or NRPHD 723 before they will be allowed to register for these courses.

I certify that I have completed all prerequisites for enrollment in NRPHD 971, NRPHD 800, NRPHD 808 or NRPHD 723.
