All students should have a personal hurricane plan and be prepared if a storm threatens our coast

- Review MUSC's Severe Weather Plan for hurricane planning, safety and recovery info:
www.musc.edu/weatheremergency
- Register now with MUSC ALERT for notification of weather and other emergencies affecting MUSC students:
www.musc.edu/muscalert
- Find emergency information on:
www.musc.edu, and by calling 792-MUSC.
- Students will NOT be allowed to stay on campus if a mandatory evacuation is called.

Therefore,

- Make your personal evacuation plan now (where you will go, and how you will get there)
- If you cannot evacuate yourself to a safe location, notify your College's Dean's office now. You will be transported from MUSC to a community shelter (READ details in MUSC's Severe Weather Plan)
