Name _____ Signature _____ Date _____ Dept. _____

Name _____ Signature _____ Date _____ Dept. _____

Signature: _____ Date: _____
Director, Ph.D. Program

Signature: _____ Date: _____
Dean, College of Nursing

THE ADVISORY COMMITTEE – Ph.D.

The Advisory Committee shall consist of at least three members two from the student's major program and one from outside the program. The chairman (advisor) and all but one member shall be members of the graduate faculty. The advisor will be responsible for coordinating the activity of the Advisory Committee and insuring compliance with College of Nursing regulations.

An Advisory Committee shall be chosen by the student with the proposed dissertation advisor and the names forwarded through the Director of the Ph.D. Program for approval. The Advisory Committee should be organized no later than six months after the student completes the departmental core curriculum.

The student must meet at least annually with his/her Advisory Committee from the time of appointment of the committee until completion of the requirements for the degree. The Director of the Ph.D. Program should be notified in writing of the annual meetings by the chairman of the Advisory Committee. More frequent meetings of the Advisory Committee and the student are encouraged in order to facilitate student-committee interaction. Meetings may be called at the discretion of the student, the advisor, or if two or more members of the Advisory Committee request such a meeting.
