

Addictions Journal Club Speakers 2008-2009

Date	Guest Speaker	Seminar Title
09/04/08	David Baker, Ph.D. Department of Biomedical Sciences, Marquette University	Probing Outside of the Synapse: Extrasynaptic Glutamate & Addiction
09/18/08	C. Fernando Valenzuela, M.D., Ph.D. Associate Professor, University of New Mexico	Letting the genie out of the bottle: modulation of cerebellar circuits by alcohol
10/02/08	Yvette Tache, Ph.D. Professor, David Geffen School of Medicine, UCLA Director, Digestive Diseases Research Center Co-Director, Center for Neurovisceral Sciences and Women's Health, VA Greater Los Angeles Healthcare System	Sex Differences in the Gastrointestinal Response to Stress: Interaction Between Estrogen and CRF Signaling System
10/16/08	Richard Beninger, Ph.D. Professor, Department of Psychology, Queen's University, Ontario Canada	Dopamine Signaling and Incentive Learning: Pathways to Addiction
11/06/08	Adron Harris, Ph.D. Professor, University of Texas	Alcohol Actions on Brain Proteins: Molecules, Mutants and Mice
12/04/08	Barbara Sorg, Ph.D. Professor, Department of VCAPP, Washington State University	Considerations on Reconsolidation: Implications for Drug Addiction
12/18/08	Cancelled	Cancelled
01/15/09	Marina Picciotto, Ph.D. Professor of Psychiatry, Yale University School of Medicine	Nicotinic acetylcholine receptors and signaling pathways involved in addiction and learning
02/05/09	Kent E. Hutchison, Ph.D. Professor, University of New Mexico	Alcohol Dependence: Integrating Neuroimaging and Whole Genome Approaches
02/19/09	Linda Porrino, Ph.D. Department of Physiology & Pharmacology, Wake Forest University School of Medicine	Tales of Translation: Animal Models and Addiction
03/05/09	Mark Willenbring, M.D. Director, Division of Treatment & Recovery Research NIAAA	An Integrated Vision for Research on Treatment and Recovery

Date	Guest Speaker	Seminar Title
03/19/09	Jill B. Becker, Ph.D. Professor of Psychology and Psychiatry, University of Michigan	Sex Differences in Drug Abuse: the role of estradiol
04/02/09	Hans-Rudolf Berthoud, Ph.D. Professor, Department of Neurology and Nutrition, Pennington Biomedical Research Center, Louisiana State University	Eating for pleasure or calories: Neural integration of cognitive, emotional, and metabolic drives
04/16/09	Loren Parsons, Ph.D. Associate Professor, Committee on the Neurobiology of Addictive Disorders, The Scripps Research Institute	Endocannabinoid Influence on Ethanol Consumption in Non-Dependent and Ethanol- Dependent Rats
05/07/09	Teresa R. Franklin, Ph.D. Research Assistant Professor of Neurosciences, University of Pennsylvania VA Med Center Treatment Research Center	Influence of menstrual cycle phase on smoking behavior
05/21/09	Christian Luscher, Ph.D. University of Geneva	TBA
