June 11, 2009

Dear Intern Applicants,

Thank you for your interest in the Charleston Consortium Psychology Internship Program. Once again we are subscribing to paper reduction and not printing brochures, making this material available in electronic form only. For newly updated material about the Program and our application procedures, please visit our website at:

[http://colleges.musc.edu/psychology\\_internship](http://colleges.musc.edu/psychology_internship)

After you receive these materials, we would appreciate it very much if you would let us know if you are seriously considering applying to our Program. There is no obligation, and you are free to change your mind. The deadline for receipt of applications is November 1<sup>st</sup>. However, letting us know if you will probably be applying is quite helpful because it will assist us in anticipating the number of applicants we will receive. In addition, we generally invite all graduate students who plan to apply to attend our fabulous "*Past, Present, and Future Intern reception*" at the 43rd Annual Association for Behavioral & Cognitive Therapies Convention, November 19-22, 2009 in New York City (more information about the meeting is available at [www.abct.org](http://www.abct.org)). If we do not know who you are and how to get in touch with you, we cannot send you an invitation!

If you plan to apply, please send an email containing: 1) your full name; 2) full address including city, state, and zip; 3) your university; and 4) your telephone number to Dori Long at [psychint@musc.edu](mailto:psychint@musc.edu). Thanks again for your interest in our program.

Sincerely,

A handwritten signature in black ink that reads "Dean G. Kilpatrick". The signature is written in a cursive, flowing style.

Dean G. Kilpatrick, Ph.D.  
Distinguished University Professor of Clinical Psychology  
Director Charleston Consortium Clinical Psychology Internship Program  
Medical University of South Carolina
