

Parkinson's Disease Research – Moving in the Right Direction.

Vanessa Hinson, M.D., Ph.D.

Professor of Neurology
Director, MUSC Movement
Disorders Program
Chief of Neurology, Ralph H
Johnson VA Medical Center

Colin Mcleod, M.D.

Movement Disorders Fellow
MUSC Movement Disorders Program

Every 9 minutes someone gets diagnosed with Parkinson's Disease, a slowly progressive brain disease with no cure.

Come learn about recent breakthroughs in the science and treatment of Parkinson's Disease with members of the MUSC Movement Disorders Program.

Science for the rest of us

MUSC's Science Café is a series of presentations offering entertaining talks on scientific subjects in a fun, non-technical way in a pleasant social environment. To learn more, contact Tara Abbott at 843-792-2926 or abbottt@musc.edu.

Tuesday, June 19, 2018 | 5:30 p.m.
Charleston Beer Works (upstairs)
