Yes  No

If yes, has this information been previously provided to the PHS or to the official responsible for patent matters at the grantee organization?  

Yes  No
Reporting of inventions through iEdison is strongly encouraged.

C.5 Other products and resource sharing

C.5.a Other Products
Identify any other significant products that were developed under this project.

Describe the product and how it is available to be shared with the research community. Do not repeat information provided above. Limit the response to this reporting period.

Examples of other products are: audio or video products; data and research material (e.g., cell lines, DNA probes, animal models); databases; educational aids or curricula; instruments or equipment; models; protocols; and software or netware.

Nothing to Report or upload Response

C.5.b Resource sharing
If the initial research plan addressed, or the terms of award require, a formal plan for sharing final research data, model organisms, Genome Wide Association Studies data, or other such project-specific data, describe the progress in implementing that plan. For sharing model organisms, include information on the number of requests received and number of requests fulfilled during this reporting period. If the sharing plan is fully implemented, provide a final statement on data sharing.
