of South Carolina

The mouth is the gateway to the rest of the body, which stands to reason why poorly managed oral health can compromise other parts of the body and overall well-being.

Science for the rest of us

MUSC's Science Café is a series of presentations offering entertaining talks on scientific subjects in a fun, non-technical way in a pleasant social environment. To learn more, contact Tara Abbott at 843-792-2926 or abbottt@musc.edu.
