

Grant #12-004

Bio - Crawford

Robin Crawford has been with the South Carolina Spinal Cord Injury Association since 2013. She has a Bachelor's degree in Criminology and Political Science from the University of South Carolina and is employed by McGuireWoods Consulting. Robin first worked with people with disabilities as an undergraduate at USC, where she was employed with the Student Disability Services office. She got involved in the association while studying Rehabilitation Counseling and Psychiatric Rehabilitation at USC School of Medicine.
