Welcome to the Community Engagement e-Newsletter, a bi-monthly resource provided by the South Carolina Clinical and Translational Research Center for Community Health Partnerships (SCTR/CCHP). The purpose of this newsletter is to facilitate the exchange and dissemination of health and related research information between academic and community partners.

Check out our Community Bulletin for the latest events and announcements at https://sctr.musc.edu/index.php/community!

The SCTR/CCHP e-Newsletter is emailed bi-monthly. If you would like to submit an item for the newsletter, please email to vanruyym@musc.edu.
