ADDENDUM NO. 01

The following items shall take precedence over the drawings and specifications for the above named project and shall become a part of the contract documents. Where any item called for in the specifications, or indicated on the drawings, is not supplemented hereby, the original requirements shall remain in effect. Where any original item is amended, voided, or superseded hereby, the provisions of such item not specifically amended, voided or superseded shall remain in effect.

Acknowledge receipt of this Addendum in the appropriate space on the Bid Form. Failure to do so may subject the bidder to disqualification.

Documents: None.

General

1. Bidders are hereby advised that information from bid documents which are not received from the sources listed in the Invitation for Bids is not legitimate and the bidder accepts full responsibility for any differences. RMF Engineering, Inc. has not authorized the scanning of their documents. Bidders should be aware that the plans are copyrighted and any unlawful use is subject to legal action. Bidders are further advised that the purchase and/or use of partial bid documents is not recommended and bidder will be responsible for any discrepancies which might have been avoided had a full set of documents been reviewed.

2. All communication regarding this project shall be through RMF Engineering Inc. Project contacts – Brian Keiser brian.keiser@rmf.com; 843-971-9639.

3. Last day for questions shall be January 28, 2015, 10:00 AM.

4. Last day for addenda shall be January 30, 2015, 10:00 AM. All addenda will be posted to the MUSC website (http://academicdepartments.musc.edu/vpfa/eandf/construction_projects/index.html) as listed on the SE-310. All addenda shall be acknowledged on the bid form.

5. Bid closing date is scheduled for February 4, 2015 at 10:00 AM at MUSC, 97 Jonathan Lucas Street, Engineering and Facilities Rm PG209, Charleston, SC 29425. Late Bids will not be accepted as responsive.

6. All question or request for clarifications must be submitted in writing to RMF Engineering Inc. All responses will be made in the form of addenda to the bid documents. Only the written word as contained in the Bid Documents, including any addenda that may be issued is binding.

7. Pre-Bid site visits shall be coordinated through Bud McPartlin 24 hours prior to visit. Bud can be reached at 843-792-3029.
