1. VANDALISM OF MUSC PROPERTY:

Defacing or destroying MUSC property subjects an employee to disciplinary action up to and including termination. Employee(s) may be suspended immediately pending further investigation. Any alteration or modification of a component or system that would adversely affect the normal operation of the component part. This includes all utilities supplied to MUSC, (i.e., water, gas and electricity.) This policy also applies to misuse or abuse of MUSC tools and equipment.
