RECEIVE YOUR FINANCIAL AID OVERAGE REFUND FASTER WITH DIRECT DEPOSIT

Financial aid overage refunds will be processed within the first 2 weeks after the start of each program (as early in that window as possible). If you registered for direct deposit of financial aid at MUSC in the past and have not changed your bank information, you do not need to register again while you are at MUSC. If you are registering for direct deposit for the first time, log into WebAdvisor and click “Request Electronic Deposit of FinAid Overage” under the heading of “Financial Information” and enter your bank account information.

If you do not sign up for direct deposit, a check will be processed and you will be notified when it is ready to be picked up in our office. Students in distance learning programs can respond to this notification confirming their current mailing address in WebAdvisor in order to have the check mailed.
