

Dear Student,

Our records indicate that the Financial Aid Services Department has awarded you one or more of the following MUSC Institutional Loans for the 2008-2009 academic year:

Perkins Student Loan

HPL (Health Professions Loan in either Primary Care Medicine, Nursing, Nursing Faculty, Dentistry or Pharmacy)

LDS (Loan for Disadvantaged Students in Medicine or Dentistry)

This is a loan which you must repay directly to the Medical University of South Carolina and is different from other loans you may be receiving.

We are pleased to notify you that completion of all paperwork and the signing of the promissory note can now be done online.

Students may start signing the notes June 3, 2008. Funds will be disbursed after July 9, 2008. It is imperative that you read and complete all paperwork to ensure timely disbursement of this loan. Your loan funds **WILL NOT BE DISBURSED** until all electronic documents are filled out completely, accurately and approved by the MUSC Student Accounting Department. Students who have signed up for direct deposit will have any refunds deposited into their bank account once the loan funds are available. For students who prefer a paper check, the check will be mailed to the student on or after the first day of classes each semester.

Your FAFSA PIN is required to complete this process. If you do not have a valid FAFSA PIN, you must go to the Department of Education's PIN site at <http://www.pin.ed.gov> to obtain your PIN. The process for acceptance, authorization and electronic signature of your promissory notes is as follows:

1. Log on to ECSI's website at <https://www.ecsi.net/promK8>
2. Provide your Social Security Number, last name and date of birth.
3. Provide your FAFSA PIN when requested on the Student Authentication Network page.
4. Most pages require that you accept the terms by checking a box at the bottom of those pages.
5. You must provide complete reference information for yourself, next of kin and two additional references. Failure to accurately complete all lines accurately will stop this loan from disbursing to your account.
6. **PROMISSORY NOTE** - Read completely. Electronically sign at the bottom of the promissory note page. The electronic signature includes a check off box plus your full legal name.
7. For any questions or problems concerning the note signing process, please call ECSI at 888-549-3274.

If you have any other questions, please contact Student Accounting Department at 843-792-2170.

Sincerely,

Medical University of South Carolina
Student Accounting Department.
