GENERAL TERMS AND CONDITIONS OF SALE

Acceptance
GlycobioTech GmbH accepts orders by Buyer only after Buyer's consent to the terms and conditions contained herein, whether additional to or different from those in Buyer's purchase order or any other document heretofore or hereafter furnished by Buyer to GlycobioTech GmbH. GlycobioTech GmbH objects to any terms or conditions proposed by Buyer that are in addition to or different from those contained herein and hereby rejects any such Buyer proposal.

Prices
All prices are listed in EURO sales and exclude taxes. Prices are subject to change without notice. 

Payment Terms
Invoices are due net 30 days in EURO (€) or USD ($) at the exchange rate of the day when the invoice was issued. Current product prices will be confirmed at the time your order is placed. Prices for goods shipped are based on your instruction at the time of the order form. Payment is to be made by international transfer to the international bank account indicated on the invoice or by credit card. If you choose to pay by bank order checks, we accept these in EURO (€) or USD ($) mailed to the address as listed on the invoice. In this case we charge you with additional 20.00 EURO (25.00 USD). Invoices shall be paid within 14 days after the date of delivery. If payment is not made within this period, interest of 10% per annum on the amount due will be charged. Within Europe we add Germany's legal VAT (19%).

Shipping
Shipments are made within Europe by regular mail (unless you explicitly desire shipment by express services). Shipments outside Europe are done by FedEx.

Custom Clearance
Buyer is responsible to clear customs in the respective country. Please provide us with any documents you may need for import of our reagents. Any costs arising after leaving Germany are paid by Buyer.

Use of our Products
Products from GlycobioTech are produced for laboratory research purposes only and are not to be used for any other purposes, in particular not for use in in-vitro diagnostic purposes, in foods or food stuffs, agricultural or pesticidal products, medical devices or cosmetics for humans or animals or for commercial purposes. Buyer knows that products from GlycobioTech have not been tested for safety in food, drug, medical device, cosmetic, veterinary or any other use.

Quality and Hazards
Each product offered by GlycobioTech GmbH is intended for use by qualified professionals who are familiar with the potential hazards and trained in good laboratory practice. Information pertaining to potential hazards of our products is provided on our labels and in our Product Data Sheets. The absence of a warning, however, must not be interpreted as indication of safety since possible hazards and compounds may be unknown yet. The ultimate responsibility for the proper handling of our products lies with the user. All goods are sold by GlycobioTech GmbH under the condition that liability for loss, or damage whatsoever to persons or real property resulting from the handling or use of the goods lies with the user. Unless the acceptance of the goods the Buyer accepts these terms.

Patent disclaimer
When buying products from GlycobioTech GmbH it is Buyer's responsibility to obtain the control of any patents worldwide covering the product itself or its use in combination with other products.

Miscellaneous
The agreement shall be made and performed in the territory of Germany. The law of Germany shall be applicable. If any provision of this agreement should be held invalid, it shall not affect the validity of any other provisions.

Stability
All our reagents are stored at ambient and elevated temperature (up to 7 days at 30°C). Therefore, we ship our reagents without cooling. If our stated otherwise on our product data sheet the reagents after delivery for up to 4 weeks at 4 °C. For longer storage freeze below -20 °C. Samples which must not be frozen are labelled accordingly on the respective product data sheet.
