U.S. dollars. If a payment is not received within thirty (30) days after the invoice
date, the Purchaser shall pay interest charges on such past due amounts at the rate
of 1.5% per month or the maximum rate allowed by law, whichever is lower,
accruing as of the invoice date.

Prices are quoted in U.S. dollars and are valid for thirty (30) days after the quote

MO BIO shall not be liable for any liability or injury to the Purchaser resulting
from such difference. Without liability to any person and without prejudice to any
other remedy, MO BIO may withhold or delay shipment of any order if the
Purchaser is late in paying any amounts owing to MO BIO. All shipments are
DDU (Incoterms 2000) Purchaser’s designated place of delivery.
