Below are the terms for the above website. Are they acceptable?

Terms of Sale:
We make every attempt to present accurate information on our site and we correct any errors as we identify them. However, due to changes in descriptions, images, availability, and prices - some products are subject to correction or change without notice. You may verify product information by contacting Customer Service at 1-800-734-8019. A binding contract for the sale of the goods concerned does not exist until they are physically shipped and the customer's credit card is debited. If an honest mistake is made on the part of the seller we will contact you and you would no; be responsible for keeping the sale in place.
