Terms of Use

Access to and use of the GSL Biotech website constitutes acceptance of the following general terms and conditions.

Disclaimer

Neither GSL Biotech LLC nor any other party involved in creating, producing or delivering the website shall be liable for any direct, incidental, consequential, indirect or punitive damages arising out of users' access to or use of the website.

Users browse and use the website at their own risk. GSL Biotech does not warrant that the functional aspects of the website will be uninterrupted or error free or that this website, or the server that makes it available, are free of viruses or other harmful components. GSL Biotech may change material on the site without prior notice.
This site is owned and operated by GSL Biotech LLC. The privacy statement discloses what information we gather and how we use it.

Personal Information that GSL Biotech May Collect Online
GSL Biotech collects personal information online, including names, e-mail addresses, and billing information. This information is collected when voluntarily provided by users making purchases, subscribing to our newsletter, requesting assistance, providing feedback, or participating in our user forum.

GSL Biotech does not knowingly collect or maintain any personal information from children under the age of 13. In addition, no part of our website is designed with the purpose of attracting any person under age 13.

How GSL Biotech Uses Personal Information Collected Online
Unless you otherwise consent, we will use your personal information only for the purpose for which it is submitted, such as to reply to your communications, to process billing and business requests, and to provide the newsletter.

How GSL Biotech Shares Personal Information Collected Online
GSL Biotech does not share any personal information collected online with any outside parties, with the exception of billing information shared with the third party credit card processor when processing payments, and sales-related correspondence shared with our local distributors.

Cookies and Security
A cookie is a small amount of data that is sent to your browser from a Web server and stored on your computer's hard drive. GSL Biotech uses non-identifying cookies to provide easier site navigation and access to forms. You can still use the general website if your browser is set to reject cookies, though some features of the account management page may not function properly with cookies disabled. Our cookies do not generate personal data, do not read personal data from your machine and are never tied to anything that could be used to identify you.

All actions on this website that may involve the transmission of personal information, such as purchase pages and account management pages, are configured to send and receive information only over secure connections.
