MEDICAL UNIVERSITY OF SOUTH CAROLINA

OFFICE OF PARKING MANAGEMENT POLICY AND PROCEDURES MANUAL

SUBJECT: Emergency Weather Conditions

PAGE 1

I) POLICY

A) During emergency weather conditions, parking for designated personnel and state-owned vehicles will be provided in MUSC parking garages as follows:

1. MUSC Visitor Parking Garage (PGI) will be dedicated to designated personnel, Physical Plant vehicles and moveable equipment, and Public Safety duty vehicles.
2. MUSC Employee Parking Garage (PGII) will be dedicated to designated personnel, University Transportation Services vehicles and other state-owned vehicles.
3. MUSC Rutledge Tower Garage (PGIII) will be dedicated to designated personnel and state-owned vehicles.
4. MUSC Harbor View Tower Garage (PGIV) will be dedicated to vehicles from the Citadel, the Army Corps of Engineers and, if necessary, to designated personnel.
5. MUSC Courtenay Drive Garage (PGV) (former County Garage) will be dedicated to designated MUSC personnel, to state-owned vehicles and to vehicles belonging to Charleston County.
6. MUSC Ashley-Rutledge Garage (PGVI) will be dedicated to designated MUSC personnel.
7. MUSC Bee St. Garage (PGVII) will be dedicated to designated MUSC personnel.

B) In order to insure adequate parking accommodations for designated personnel and state vehicles and equipment, parking privileges for decal holders who park in designated parking garages will be suspended during the weather emergency.

C) In order to have access to one of the restricted MUSC parking garages during a weather emergency the state-issued emergency worker pass and the MUSC employee ID must be presented to the parking attendant or public safety officer on duty at the entrance of the facility.

- D) In order to reduce damage to vehicles or equipment from flooding and/or high winds, vehicles and equipment should not be parked on the ground level or roof level of any garage.
- E) Only one vehicle for each designated employee will be allowed to park in designated facilities.

II) INFORMATION AND PROCEDURES

A) Preparedness and Activation Period

1) Weather Alert and Weather Watch:

All parking lots and garages will be operated in accordance with normal operating schedules and services during these periods.

2) Weather Warning:

This is a transitional period where standard operational procedures may be replaced by emergency weather conditions. Designated personnel may begin arriving while non-designated personnel are still on campus, and state vehicles may be being brought into designated locations in anticipation of the emergency. Staffing is required to manage the outgoing and incoming traffic.

Parking Management employees will manage designated facilities until a weather emergency is declared and they are relieved by Public Safety or until otherwise directed by university officials.

3) Emergency Weather Conditions:

The Department of Public Safety will manage access to the restricted MUSC parking garages during emergency weather conditions.
