In The Event of a Large Chemical Spill:

1. **ALERT** all lab occupants of the location of the spill.

2. **EVACUATE** the lab, avoiding walking through the spill.

3. **CLOSE** the lab doors and do not allow re-entrance.

4. **CONTACT** MUSC Occupational Safety and Health Programs (OSHP) at 843-792-3604
   Give OSHP responder your name and phone number.

5. **WAIT** for the responder and meet him/her in a safe area.
