STATEMENT OF AUTHORITY

UNIVERSITY RISK MANAGEMENT
Occupational Safety and Health Programs
19 Hagood Avenue, Suite 908
Charleston, SC 29425
843-792-3604

Revised: April 2015
The policies and procedures contained in the Occupational Safety and Health Manual of the Medical University of South Carolina are applicable to all departments of the University and Medical Center.

Furthermore, it is hereby declared that the Director of University Risk Management of the Medical University of South Carolina derives his authority from the Office of the President of the Medical University of South Carolina in all matters involving environmental health and safety and/or violations of accepted rules or practices as described herein, including the authority to stop any act that jeopardizes the safety of any student, patient, faculty, staff, or visitor on the Medical University of South Carolina campus.

David J Cole, MD, FACS
President, Medical University of South Carolina
