

**Medical Center Residents  
General/Emergency Information  
2009-2010**

During extreme weather conditions, residents may be required to remain at work for up to 72 hours. Please bring enough of the following:

- Clothes
- Personal Hygiene Supplies
- Towels/Washcloth
- Water/Food/Personal Medications
- Sleeping Bag/Blankets/Pillow
- Flashlight with extra batteries
- MUSC ID Badge & emergency worker car placard
- Cash (ATM may become inoperable)

Residents **NOT** required to report to MUSC during a weather emergency **MUST** check in to determine when they should resume their work schedule. Call 792-1414 or 1-800-424-6872, press 2, then enter four-digit code.

**SEE DEPARTMENTAL CODES ON REVERSE.**

Weather-related messages will be recorded only when an emergency is declared.

For information on the Weather Emergency Policy, enter code 0800; for Weather Status, enter code 0801.

For general MUSC Campus information concerning weather conditions (including closures), call 792-MUSC (6872)

Departments may also use this call system for general communication as needed.
