THE POLICIES AND PROCEDURES INCLUDED IN THIS MANUAL ARE NOT A CONTRACT OF EMPLOYMENT AND SHOULD NOT BE RELIED ON AS SUCH. THESE POLICIES AND PROCEDURES ARE SUBJECT TO AND MAY BE CHANGED AT ANY TIME BY THE DEPARTMENT OF PUBLIC SAFETY, MEDICAL UNIVERSITY OF SOUTH CAROLINA.

A. Purpose

To determine the overall number of personnel for the department and to insure their proper allocation. To establish procedures related to the announcement of openings and selection criteria for specialized assignments.

B. Policy

It is the policy of the MUSC Public Safety Department to allocate and distribute its personnel according to need and in the most effective and efficient manner possible.

C. Procedure

1. The department's personnel strength is authorized and approved by the Medical University's Office of Finance and Administration and is documented in the Position Control Department Status Report. The Position Control Department Status Report is a computer generated report and includes the number and type of each position (CALEA 16.1.1.a), location of each position within the overall structure (CALEA 16.1.1.b), and each position's status (filled or vacant) (CALEA 16.1.1.c). The Position Control Department Status Report is maintained by the Medical University of South Carolina, Department of Human Resources Management.

2. Personnel Allocation/Distribution

   a. The allocation and distribution of all personnel, especially the Patrol
Section, will be determined by the Director with information provided by his command staff and based on the following factors: total strength; number of incidents handled by patrol during specific periods; average time required to handle incidents; non-productive time (days off, holidays, leave, etc.); location of incidents; and average percent of time available to handle incidents during a ten hour shift.

b. The allocation of personnel will be reassessed annually based on the above factors and with consideration of any ongoing programs/projects.

c. The department's reporting areas, as defined in its Computer Aided Dispatch System (CAD), are defined by streets and natural boundaries and will be referred to for the purpose of distributing patrol personnel. (CALEA 16.1.2)
