USA

Dear Mark Judson

It gives me great pleasure to send this Message of Greetings to all participants at the WASOG Conference on Diffuse Lung Diseases. Your conference will include old friends of mine and also the new generation vigorously carrying onwards the WASOG torch of learning.

The first Conference in 1958 set the ball rolling and it has continued to roll, Olympian style, with considerable advances in basic knowledge and clinical application. All pioneers are confident that the South Carolina influence will maintain this momentum.

Please Read this out at your Conference

Cordial greetings

D Geraint James

D Geraint James
Emeritus President of WASOG
