From the President...
We've just had our first Board meeting and there's lots of excitement as we anticipate the upcoming year. We're planning our annual fall membership coffee and I hope everyone will attend on Wednesday, September 14th at the Greenberg's. More information will be sent later this summer, but I hope you will reserve time on your busy calendars for this annual event.

In anticipation of the coffee, we hope each current member will consider bringing a potential new member with them on September 14th. Our membership dues represent the core funding of the scholarships we award each year. Our scholarships have benefited students in each of the Colleges within MUSC and our recipients are most grateful for the money they receive.

We have three annual projects where we "give back" to MUSC. The Todd Carter Teddy Bear Day will be held in the fall; the date hasn't been determined. We collected a good number of bears at the Spring Luncheon and encourage you to look for bears on sale during the summer to bring with you to the Coffee. Posies for Patients will be held in February and we will once again sell roses at graduation in May. Please consider helping with one of these projects and contact the project chair when volunteers are requested.

Have a great summer!

*Cecily DiPiro*

**The Art of Health Cooking**

Congratulations and thanks once again to Laura Patrick, Annie Steele and all the people who contributed to the success of the cookbook.

Over $8,000 was earned this year to be used for MUWC scholarships.

Thank you!
