WHY NOT VOLUNTEER AT THE GREATEST PLACE IN CHARLESTON?

Happy Wheels

Happy Wheels is a volunteer dependent group that distributes new toys and books to critically ill or injured children. They collect donations from organizations, individuals, and small businesses throughout the year. 100% of all funds go directly to purchasing new books and toys for the children. They visit approximately 80-100 children each Thursday. Without the help and generosity of others, this program would not run.

You can make a difference in a child's life today. For more information click here: Happy Wheels.

Did you know…

That heart disease is still the No. 1 killer of women, taking the life of 1 in 3 women each year?
That heart disease claims the lives of over 433,000 American women each year?

The American Heart Association’s “Go Red For Women” works every day to fund research and fight this killer so that more women can be saved. But they need our help.
