A MESSAGE FROM THE PRESIDENT

With the Spring Luncheon (May 9th) just around the corner, I'm reminded of the saying "Time flies when you are having fun" and that is so true! This past year as President of the MUWC has been busy, entertaining, and so much fun thanks to a wonderful Board, Committee Chairs, and great members. Alas, all good things must come to an end and I will soon be passing the gavel to our President-elect, Megan Zwerner.

Our last event of the year, Roses for Commencement, is coming together but we need the help of more volunteers to sell roses on the morning of MUSC's graduation. Please contact Jane Drabkin to sign up!

Also don't forget- We are still collecting new stuffed animals for our Todd Carter Memorial Teddy Bear Day that occurs in October. Please bring your critters to the Spring Luncheon.

Thank you all for a delightful term as your President and I look forward to sharing more fun times in the MUWC!

Sincerely,
Bridge Club

Candy Stripers & Junior Volunteer Program 2013
Do you know a young person who is looking for summer volunteer opportunities?

The goal of the MUSC 2013 Candy Stripper & Volunteer Program is to provide positive, energetic male & female students (ages 14-18) who are possibly interested in healthcare or other real world experience with an environment and an opportunity to learn, help others, build friendships, and give back. The program also provides assistance to departments that could use extra sets of hands. Volunteering can be a rewarding way to spend the summer!
