Dear friends,

It seems hard to believe that it’s already time for Thanksgiving. I could have sworn that we had the Membership Coffee just the other day! The year is flying by.

As we look forward to celebrating the different winter holidays, I hope that all of you will be able to take the time to join us again. The MUWC Holiday Brunch, graciously hosted by Peggy and Paul Underwood at their beautiful home, is coming up on Sunday, December 7 at 1 p.m. My husband Boyd and I are really looking forward to it! It’s a lovely chance to take a break from the craziness of December and catch up with friends. (And it’s also a chance for us to get out without our children in tow....)

I wish all of you a very happy Thanksgiving!

Best regards,

Charlotte

**Mahjongg**

From Karen Gemmill, “I just wanted to say what fun we had at October’s Mahj, and introducing Annie Klapper and Sylvia Vena to Mahjongg! We had a morning session and an afternoon session so there was a lot of time to learn and then practice. Thank you Sunny for sharing your expertise in the morning and Laura for bringing drinks and snacks! Four month old Rory Klapper added to the fun of the morning, too.”
To join or learn more about Mahjongg contact Karen at kargem4@juno.com

Kids Helping Kids: Holiday Cards
Each year the MUSC Children's Hospital Fund teams up with young patients and their siblings, local businesses and individuals to raise money for the MUSC Children's Hospital in a very unique way called the "Kids Helping Kids" Holiday Card Project. 100% of the proceeds come back to the children of MUSC.

This year, 18 very talented artists will have their artwork featured in two multipacks. Each pack contains 16 unique cards and sells for $15. Each card can also be ordered individually in bulk quantity. Custom printed messages are available for bulk orders.

Last year this exciting project raised $60,000 for research and the programs at the MUSC Children's Hospital! Since its inception, the "Kids Helping Kids" Holiday Card Project has raised more than $900,000 for the MUSC Children's Hospital.
